**RECOMMENDED CASH AND SHARE OFFER**

**for**

**CHARTER INTERNATIONAL PLC**

**by**

**COLFAX UK HOLDINGS LTD**

**a wholly-owned subsidiary of**

**COLFAX CORPORATION**

The Board of Charter and the Board of Colfax are pleased to announce that they have reached agreement on the terms of a recommended cash and share offer to be made by Bidco, a wholly-owned subsidiary of Colfax, for the entire issued and to be issued share capital of Charter.

**Highlights**

- Under the terms of the Acquisition, Charter Shareholders will be entitled to receive:

**for each Charter Share: 730 pence in cash; and**

**0.1241 New Colfax Shares**

- The Acquisition values Charter's fully diluted share capital at approximately £1,528 million, being 910 pence per Charter Share on a fully diluted basis (based on the Closing Price of US\$23.04 per Colfax Share on 9 September 2011, being the last Business Day before this announcement).
- The Offer Consideration, with Charter Shareholders having already received the interim dividend of 8 pence per Charter Share, represents a premium of:
  - approximately 48.0 per cent. to the Closing Price of 615 pence per Charter Share on 28 June 2011 (being the last Business Day before Charter announced it had received a preliminary approach from Melrose regarding a possible offer);
  - approximately 16.7 per cent. to Melrose's initial offer of 780 pence per Charter Share made by Melrose on 28 June 2011; and
  - a premium of approximately 13.2 per cent. to the Closing Price of 804 pence per Charter Share on 9 September 2011 (being the last Business Day before this announcement).
- A Mix and Match Facility will be provided, which will allow Charter Shareholders to elect to vary the proportions in which they receive New Colfax Shares and cash.

- A Loan Note Alternative will also be available to Charter Shareholders.
- The Acquisition will be funded from a combination of proceeds of an equity issue by Colfax, new debt facilities and Colfax's existing cash resources.
- It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991, or if Bidco elects, a takeover offer (as that term is defined under Article 116(1) of the Companies (Jersey) Law 1991) to Charter Shareholders. The purpose of the Scheme is to enable Bidco to acquire the whole of the issued and to be issued share capital of Charter. The Scheme, which will be subject to the Conditions set out in this announcement, will require the sanction of the Court.
- On 29 July 2011, concurrently with the release of its interim results for the second quarter of 2011, Colfax provided earnings guidance to the market which the Panel has determined amounted to profit forecasts for the purpose of Rule 28 of the City Code. Colfax will therefore prepare a report on such forecasts pursuant to Rule 28.3 of the City Code as soon as practicable. When the report has been completed, a public announcement will be released and the report will be made available on Colfax's website at [www.colfaxcorp.com](http://www.colfaxcorp.com).
- The Board of Charter, which has been so advised by Goldman Sachs International, J.P. Morgan Cazenove and RBS, considers the terms of the Acquisition to be fair and reasonable. In providing financial advice to the Board of Charter, Goldman Sachs International, J.P. Morgan Cazenove and RBS have taken into account the Board's commercial assessments. Goldman Sachs International is providing the independent financial advice for the purposes of Rule 3 of the City Code and J.P. Morgan Cazenove and RBS are also acting as financial advisers to the Board of Charter. Accordingly, the Board of Charter intends unanimously to recommend that Charter Shareholders vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by way of an Offer, to accept or procure acceptance of such Offer).
- Colfax has received irrevocable undertakings from those members of the Board of Charter who hold beneficial interests in the Charter Shares to vote in favour of the Scheme (or, in the event that the Acquisition is implemented by way of a takeover offer, to accept the Offer) in respect of their entire beneficial holdings which total 176,977 Charter Shares in aggregate representing approximately 0.1 per cent. of Charter's issued share capital as at the date of this announcement. Further details of these irrevocable undertakings are set out in Appendix 3 to this announcement.
- Further details of the Acquisition and the Scheme will be contained in the Scheme Document that will be posted to Charter Shareholders and, for information purposes only, to participants in the Charter Executive Share Schemes and the Phantom Restricted Scheme Plans as soon as practicable.
- Commenting on the Acquisition, Mitchell P. Rales, the Chairman of Colfax and Clay H. Kiefaber, Colfax President and Chief Executive Officer of Colfax said:

*"This is a transformational acquisition for Colfax that accelerates our growth strategy, enhances our business profile and continues our journey to becoming a premier global enterprise. We are very pleased that Charter's Board has recommended our offer, which*

*we believe will bring significant benefits for both companies' shareholders. Charter shareholders will receive an immediate premium and share in the upside of the combined company through the stock component of our offer, while Colfax shareholders will benefit from the significant earnings accretion and value creation opportunities that this combination will create."*

*"Charter International, with its global brands, is an excellent strategic fit that will significantly enhance our position in emerging markets, create an even balance of short- and long-cycle businesses and grow our aftermarket revenues," said Clay H. Kiefaber, Colfax President and Chief Executive Officer. "Howden will be a great complement to our existing specialty fluid handling business and ESAB will be the nucleus of a new growth platform. In addition, we believe the application of the Colfax Business System will drive meaningful operational improvements."*

- Commenting on the decision by the Board of Charter to recommend the Acquisition, Lars Emilson, the Chairman of Charter said:

*"The Board believes this is an attractive offer for Charter shareholders, reflecting the strengths of both ESAB and Howden's market leading positions, and their growth prospects. The proposed acquisition represents a premium of approximately 48.0 per cent. to Charter's share price before we entered into an offer period and before the recent decline in global financial markets. Colfax is a global engineering company which is complementary to Charter, with a strong reputation for its quality brands, leading positions, and a long term vision for growth and returns. Colfax has committed to providing continued stability for our employees and continued development of the ESAB and Howden offering for our customers. The Board of Charter intends to recommend the proposed acquisition to shareholders."*

**RECOMMENDED CASH AND SHARE OFFER**

for

**CHARTER INTERNATIONAL PLC**

by

**COLFAX UK HOLDINGS LTD**

**a wholly-owned subsidiary of**

**COLFAX CORPORATION**

**1. Introduction**

The Board of Charter and the Board of Colfax are pleased to announce that they have reached agreement on the terms of a recommended cash and share offer by Bidco, a wholly-owned subsidiary of Colfax, for the entire issued and to be issued share capital of Charter.

**2. The Acquisition**

Under the terms of the Scheme, which will be subject to the Conditions and other terms set out in this announcement and to further terms to be set out in the Scheme Document, Charter Shareholders will receive:

**for each Charter Share: 730 pence in cash; and**

**0.1241 New Colfax Shares**

The Acquisition values Charter's fully diluted share capital at approximately £1,528 million, being 910 pence per Charter Share on a fully diluted basis (based on the Closing Price of US\$23.04 per Colfax Share on 9 September 2011, being the last Business Day before this announcement).

The parties agree that an appropriate adjustment will be made to the Exchange Ratio in the event of (a) the payment of any dividend or other distribution by Colfax to its shareholders; (b) the reclassification, subdivision, consolidation or reorganisation of Colfax's share capital; (c) any issuance of equity securities pursuant to a pre-emptive invitation to the existing shareholders as a class subject only to regulatory exclusions; or (d) any transaction similar to the foregoing to the extent it would have a material disproportionate impact on those Charter Shareholders who receive New Colfax Shares pursuant to the Acquisition as compared to the existing Colfax shareholders (taken as a class).

Colfax has agreed to investigate providing a low cost dealing facility to assist those Charter Shareholders who wish to do so to dispose of the New Colfax Shares they receive under the terms of the Acquisition. The availability of such a facility will be subject to consideration of the

results of the Mix and Match Facility, regulatory considerations, the requirements of the City Code and other practicalities.

The Offer Consideration, with Charter Shareholders having already received the interim dividend of 8 pence per Charter Share, represents a premium of:

- approximately 48.0 per cent. to the Closing Price of 615 pence per Charter Share on 28 June 2011 (being the last Business Day before Charter announced it had received a preliminary approach from Melrose regarding a possible offer);
- approximately 16.7 per cent. to Melrose's initial offer of 780 pence per Charter Share made by Melrose on 28 June 2011; and
- a premium of approximately 13.2 per cent. to the Closing Price of 804 pence per Charter Share on 9 September 2011 (being the last Business Day before this announcement).

It is intended that the Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991 or, if Bidco elects, a takeover offer (as that term is defined under Article 116(1) of the Companies (Jersey) Law 1991). The purpose of the Scheme is to enable Bidco to acquire the whole of the issued and to be issued share capital of Charter. The Scheme, which will be subject to the Conditions set out in this announcement, will require the sanction of the Court.

In the event that the Acquisition is to be implemented by way of an Offer, the Charter Shares will be acquired pursuant to the Offer fully paid and free from all liens, charges, equitable interests, encumbrances and rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto. Any New Charter Shares issued to Bidco pursuant to the Scheme will be issued on the same basis.

On 29 July 2011, concurrently with the release of its interim results for the second quarter of 2011, Colfax provided earnings guidance to the market which the Panel has determined amounted to profit forecasts for the purpose of Rule 28 of the City Code. Colfax will therefore prepare a report on such forecasts pursuant to Rule 28.3 of the City Code as soon as practicable. When the report has been completed, a public announcement will be released and the report will be made available on Colfax's website at [www.colfaxcorp.com](http://www.colfaxcorp.com).

### 3. Recommendation

The Board of Charter, which has been so advised by Goldman Sachs International, J.P. Morgan Cazenove and RBS, considers the terms of the Acquisition to be fair and reasonable. Goldman Sachs International is providing the independent financial advice for the purposes of Rule 3 of the City Code and J.P. Morgan Cazenove and RBS are also acting as financial advisers to the Board of Charter.

Accordingly, the Board of Charter intends unanimously to recommend that Charter Shareholders vote in favour of the resolutions relating to the Acquisition at the Meetings (or in the event that the Acquisition is implemented by way of an Offer, to accept or procure

acceptance of such Offer) as those members of the Board of Charter who hold beneficial interests in Charter Shares have irrevocably undertaken to do in respect of their entire beneficial holdings which totals 176,977 Charter Shares in aggregate representing approximately 0.1 per cent. of Charter's issued share capital.

Further details of these irrevocable undertakings are set out in Appendix 3.

In July 2011, Howden announced its strategic objectives of achieving revenue CAGR of over 10 per cent. and, over the medium to long-term, of achieving an adjusted operating margin of 14 per cent.

## **6. Background to and reasons for the Acquisition**

Colfax believes the acquisition of Charter would complement its stated strategy which, in addition to driving organic growth, includes pursuing value-creating acquisitions within its served markets, and adding complementary growth platforms to provide scale and revenue diversity. Colfax considers Charter to be a leading player in key markets with an attractive business mix and strong technological capabilities that fits well with Colfax's acquisition criteria.

Earlier this year Colfax identified Charter as a business that would complement its Fluid Handling platform as well as add a new welding and cutting platform. In July 2011, following the unsolicited offer for Charter by Melrose, Colfax approached Charter to express its interest in a possible acquisition.

Colfax believes that completion of the Acquisition would accelerate Colfax's growth strategy and enable Colfax to become a multi-platform business with a strong global footprint. Charter's air & gas handling business (Howden) would extend Colfax's existing Fluid Handling platform, and Charter's welding, cutting and automation (ESAB) business would establish a new growth platform.

Colfax believes that the Acquisition will improve Colfax's business profile by providing a meaningful recurring revenue stream. It would also provide considerable exposure to emerging markets, allow the combined company to benefit from strong secular growth drivers and provide a balance of short and long cycle businesses.

Following the Acquisition, Colfax believes there are significant upside opportunities from applying its established management techniques to improve both margin and return on invested capital.

The Acquisition is also expected to provide a platform for additional acquisitions in the fragmented welding and air handling markets.

The Acquisition is expected to be significantly accretive to earnings<sup>1</sup> and to provide double digit returns on invested capital within three to five years.

Colfax takes a disciplined approach to acquisitions with clearly defined strategic and financial criteria, and is committed to maintaining a prudent capital structure. Colfax believes the resulting capital structure will allow it to meet its goal of achieving and maintaining a credit rating of BB-/Ba3 or better and ensure that it retains sufficient flexibility to continue existing and new initiatives without undue balance sheet risk.

Colfax's management are established industrialists who buy businesses with the objective of developing them so that they may achieve their full potential.

## 7. **Background to and reasons for the recommendation**

On 20 June 2011, Charter issued a trading update that warned of the expected outcome for 2011 as a whole being below expectations at the time of the interim management statement in April 2011. This announcement was followed by the resignation of the then Charter Chief Executive, Michael Foster, on 27 June 2011.

On 29 June 2011, Charter announced it had received an indicative offer from Melrose that may or may not lead to an offer for the entire issued share capital of Charter. This initial offer from Melrose of 780 pence per Charter Share (inclusive of Charter's interim dividend), was rejected by Charter's Board on 30 June 2011.

On 11 July 2011, the Board of Charter received a revised increased proposal from Melrose of 840 pence per Charter Share (again inclusive of Charter's interim dividend). The Board of Charter reviewed this proposal and rejected it on 15 July 2011, as undervaluing Charter and its prospects. At that time, the Board of Charter confirmed that it remained committed to maximising value for its shareholders and was exploring a full range of strategic alternatives.

On 1 September 2011, the Board of Charter announced that it had received a revised indicative proposal from Melrose, indicating that Melrose was prepared, subject to certain pre-conditions, to increase the value of its possible offer for Charter by 18 pence per Charter Share. Melrose's revised proposal represented an 850 pence per Charter Share offer for the Company, on the basis set out in the announcement, and also allowed Charter Shareholders to retain the interim dividend of 8 pence per Charter Share declared on 26 July 2011 and paid to Charter Shareholders on 2 September 2011. The revised proposal comprised 553 pence in Melrose shares and 297 pence in cash for each Charter Share. The announcement also stated that, on the basis of the increased proposal, and in light of the recent heightened economic uncertainty and financial market volatility, Charter had agreed to commence discussions with Melrose about its revised indicative proposal and to allow Melrose to complete its confirmatory due diligence.

---

<sup>1</sup> This should not be taken as a statement regarding Colfax's expectation for earnings per share during the remainder of 2011, for 2012 or for subsequent periods.

Melrose continues to conduct due diligence on Charter. There can be no certainty that a formal offer will ultimately be forthcoming from Melrose.

Since the initial approach by Melrose, Charter, through its financial advisers, Goldman Sachs International, J.P. Morgan Cazenove, and RBS Corporate Finance Limited, has spoken to certain parties, including Colfax, regarding their possible interest in the Company. On 1 August 2011, Colfax provided formal written confirmation of its interest in Charter. On 23 August 2011, Charter announced that it was in discussions with a potential offeror other than Melrose regarding a possible offer for Charter. Colfax announced on 4 September 2011 that it was in preliminary discussions regarding a possible all-cash offer to acquire Charter.

The Offer Consideration, with Charter Shareholders having already received the interim dividend of 8 pence per Charter Share, represents a premium of:

- approximately 48.0 per cent. to the Closing Price of 615 pence per Charter Share on 28 June 2011 (being the last Business Day before Charter announced it had received a preliminary approach from Melrose regarding a possible offer);
- approximately 16.7 per cent. to Melrose's initial offer of 780 pence per Charter Share made by Melrose on 28 June 2011; and
- a premium of approximately 13.2 per cent. to the Closing Price of 804 pence per Charter Share on 9 September 2011 (being the last Business Day before this announcement).

The Directors of Charter have also noted the general downward movement in global financial markets which has taken place in recent weeks, in particular since the start of August, and which has impacted shares in many industrial and engineering companies in particular. Since Melrose's initial offer on 28 June 2011 to 9 September 2011 (being the last Business Day before this announcement), the FTSE 350 Industrial Engineering Index has declined by approximately 8.8 per cent. and FTSE 250 Share Index has declined by approximately 12.5 per cent.

Against this background, the Directors of Charter have therefore concluded that the price of 910 pence for each Charter Share is fair and reasonable and intend to recommend the Acquisition to Charter Shareholders. The terms of the Acquisition allow Charter Shareholders to realise a significant proportion of their investment in Charter for cash whilst also providing the opportunity to retain an on-going interest in Charter's businesses through a shareholding in the enlarged Colfax group.

## **8. Implementation Agreement**

Charter, Bidco and Colfax have entered into the Implementation Agreement in relation to the implementation of the Acquisition and related matters in accordance with an agreed indicative timetable which will be set out in the Scheme Document. The Implementation Agreement contains certain assurances and confirmations between the parties, including provisions reflecting the rules of the Panel which are due to come into force on 19 September 2011, to implement the Scheme on a timely basis.

## 9. Inducement Fee Arrangements

Charter has agreed to pay an inducement fee of £15,275,000 to Bidco, subject to the terms and conditions set out in the Implementation Agreement, in circumstances where a competing offer (or similar proposal) is announced before the Acquisition lapses or is withdrawn and such competing offer (or similar proposal) or another third party offer (or similar proposal) becomes wholly unconditional or effective or is otherwise consummated.

In addition, Charter has agreed to pay an inducement fee of £7,638,000 to Bidco in certain other circumstances, subject to the terms and conditions set out in the Implementation Agreement. These circumstances include where: (a) the Board of Charter recommends a competing offer (or similar proposal); (b) the Board of Charter withdraws, qualifies or adversely modifies its recommendation of the Acquisition or such recommendation ceases to be unanimous; and (c) where Charter takes any steps to implement a competing offer (or similar proposal) or if Charter makes certain changes to the timetable for the Acquisition or postpones or adjourns the Meetings and as a result the Scheme is reasonably expected not to become effective before the Long Stop Date.

The payments referred to above are not, however, payable by Charter where, following the announcement of a competing offer (or similar proposal) the Acquisition lapses or is withdrawn (save in circumstances where the Panel has agreed that Bidco may invoke a condition to the Acquisition or may lapse or withdraw the Acquisition other than in reliance on a regulatory condition or any condition reflecting material adverse change not occasioned by any action of Charter). The amount payable as an inducement fee cannot exceed (in aggregate) £15,275,000.

Further details of the above arrangements are set out in the Implementation Agreement and will be summarised in the Scheme Document.

## 10. Financing of the Acquisition

The Acquisition will be funded from a combination of proceeds of the Equity Capital Raising, new debt facilities and Colfax's existing cash resources.

### ***Debt financing***

The debt financing available to Bidco under loan facilities has been arranged by Deutsche Bank AG, New York Branch and HSBC Bank USA, N.A. and further details of the debt financing of the Acquisition will be included in the Scheme Document.

### ***Equity Capital Raising***

BDT CF Acquisition Vehicle, LLC, an entity controlled by BDT Capital Partners Fund I, L.P. has agreed to purchase, six Business Days following the Effective Date, up to 13,877,551 shares of preferred stock and up to 14,756,944 shares of common stock of Colfax for US\$680 million in the aggregate. In addition, Mitchell P. Rales, Steven M. Rales and Markel Corporation (an entity in which one of the Colfax directors is an officer) have agreed to subscribe, six business days following the Effective Date, for common stock in the capital of Colfax for US\$125 million in the aggregate. The net proceeds of these issuances of preferred stock and common stock will be used by Colfax to fund a portion of the Offer Consideration. All these subscriptions for shares

of common stock are being made at US\$23.04 which is the closing price of a Colfax Share on 9 September 2011, being the last Business Day before this announcement. The Exchange Ratio has also been determined on this basis and so the 0.1241 New Colfax Shares which Charter Shareholders will receive for each Charter Share held are valued at 180 pence accordingly.

The Equity Capital Raising requires the approval of Colfax shareholders and accordingly Colfax intends to convene a meeting of its shareholders in order to approve the Equity Capital Raising. The resolutions to be proposed at the meeting will require the approval of Colfax shareholders holding more than 50 per cent. of the outstanding common stock. Colfax has undertaken to Charter that it will use reasonable endeavours to finalise the documentation required in connection with the shareholder meeting in accordance with legal and regulatory requirements and, thereafter, to hold the shareholder meeting, in each case as soon as reasonably practicable and in any case by this date. The Board of Colfax intends to recommend Colfax shareholders vote in favour of the resolutions to be proposed at the shareholder meeting.

Mitchell P. Rales and Steven M. Rales who together hold or control 18,291,220 Colfax Shares, representing approximately 42 per cent. of Colfax's issued share capital, have agreed with Charter that (save in certain limited specified circumstance) they will vote in favour of the resolutions regarding the Equity Capital Raising at the shareholder meeting. The other directors of Colfax intend to vote in favour of the resolutions in respect of their entire beneficial holdings of 360,296 Colfax Shares in aggregate, representing approximately 0.8265 per cent. of Colfax's issued share capital.

Deutsche Bank has confirmed that they are satisfied that sufficient financial resources are available to Bidco to satisfy, in full, the cash consideration payable to the Charter Shareholders pursuant to the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

#### **11. Management, employees and intentions regarding the Charter Group**

Colfax has given assurances to the Board of Charter that, upon and following completion of the Acquisition, the Charter Group employers will continue to comply with the contractual and other entitlements in relation to pension and employment rights of existing employees.

It is intended that, upon the Scheme becoming effective, each of the non-executive members of the Board of Charter will resign from his office as a director of Charter.

#### **12. Terms of Mix and Match Facility**

Charter Shareholders (other than certain Overseas Shareholders) will be entitled to elect, subject to availability, to vary the proportions in which they receive New Colfax Shares and cash in respect of their holdings of Charter Shares. However, the total number of New Colfax Shares to be issued and the maximum aggregate amount of cash to be paid under the Scheme will not be varied as a result of elections under the Mix and Match Facility.

Accordingly, elections made by Charter Shareholders under the Mix and Match Facility will only be satisfied to the extent that other Charter Shareholders make off-setting elections. To the extent that elections cannot be satisfied in full, they will be scaled down on a pro rata basis. As a result, Charter Shareholders who make an election under the Mix and Match Facility will not

know the exact number of New Colfax Shares or the amount of cash they will receive until settlement of the consideration due to them in respect of the Acquisition.

The Mix and Match Facility is conditional upon the Scheme becoming effective and further details of the Mix and Match Facility will be included in the Scheme Document.

### 13. **Loan Note Alternative**

Charter Shareholders (other than certain Overseas Shareholders) will be entitled to elect to receive Loan Notes instead of all or part of the cash consideration to which they would otherwise be entitled under the terms of the Acquisition.

The Loan Note Alternative will be made available on the following basis:

**for every whole £1 in cash consideration      £1 nominal value of Loan Notes**

The Loan Notes will be governed by English law and will be issued, credited as fully paid, in integral multiples of £1 nominal value. The Loan Notes will have the benefit of an unsecured guarantee from Colfax in respect of all obligations for the life of the Loan Notes. All fractional entitlements to the Loan Notes will be disregarded and will not be issued. The Loan Notes will be non-transferable other than to privileged relations and family trusts and no application will be made for them to be listed or dealt in on any stock exchange. The Loan Notes will not be qualifying corporate bonds.

The Loan Notes will bear interest from the date of issue to the relevant holder of the Loan Notes at a rate per annum of 0.50 per cent. below LIBOR. Interest will be payable semi-annually on 30 June and 31 December each year, or if that day is not a Business Day, on the immediately following Business Day, with the first interest payment date being 30 June 2012 or, if later, at least six months from the date of issue. The Loan Notes will be redeemable at par (together with accrued interest less any tax required by law to be withheld or deducted therefrom) in whole or in part, for cash at the option of the noteholders on 30 June 2012 and subsequently semi-annually on 30 June and 31 December each year (or, if that day is not a Business Day, on the immediately following Business Day). In certain circumstances, Bidco will have the right to redeem all of the Loan Notes. If not previously redeemed, the final redemption date will be the date falling five (5) years after the Effective Date.

No Loan Notes will be issued unless, on or before the Effective Date, valid elections have been received in respect of at least £2 million in nominal value of Loan Notes. If insufficient elections are received, Charter Shareholders electing for the Loan Note Alternative will instead receive cash in accordance with the terms of the Acquisition. If at any time after 30 June 2012 (or, if later, six months from the date of issue), the outstanding nominal amount of Loan Notes is equal to or less than £2 million, Bidco will be entitled to redeem all of the then outstanding Loan Notes.

The Loan Note Alternative will be conditional upon the Acquisition becoming effective. Full details of the Loan Note Alternative will be contained in the Scheme Document or, as the case may be, the Offer Document and the Loan Note Form of Election. The Loan Notes are not being offered to Overseas Shareholders.

Charter Shareholders should consider carefully, in light of their own investment objectives and tax position, whether they wish to elect for Loan Notes under the Loan Note Alternative and are strongly advised to seek their own independent financial advice before making any such election.

**14. Charter Executive Share Schemes and Phantom Restricted Scheme Plan**

In due course, Charter and Bidco will write to participants in the Charter Executive Share Schemes to inform them of the effect of the Scheme on their rights under the Charter Executive Share Schemes and the actions they may take to enable them to participate in the Scheme.

Charter and Bidco will also write in due course to participants in the Charter Executive Share Schemes and the Phantom Restricted Scheme Plan to inform them of the effect of the Scheme on their rights under that plan.

It is proposed to amend the articles of association of Charter at the Charter General Meeting to provide that, if the Scheme becomes effective, any Charter Shares issued (other than to Bidco or subsidiaries or nominees of Colfax) between approval of the Scheme at the Court Meeting and the Scheme Record Time will be subject to the Scheme and that any Charter Shares issued after the Scheme Record Time will automatically be acquired by Bidco in exchange for cash and New Colfax Shares as described in paragraph 2 above on the same basis as under the Scheme. Consequently, participants in the Charter Executive Share Schemes whose rights to receive Charter Shares under awards vest after the Scheme Record Time will receive cash and New Colfax Shares as described in paragraph 2 above.

**15. Expected timetable**

It is expected that the Scheme Document containing further details of the Scheme (including an expected timetable) will be dispatched to Charter Shareholders as soon as practicable (and, in any event, not later than 28 days after the date of this announcement).

**16. Disclosure of interests in Charter Shares**

As at the close of business on 9 September 2011 (the last Business Day prior to this announcement) and save as discussed above and for the irrevocable undertakings referred to in Appendix 3, neither Bidco, nor any Bidco Directors nor, so far as Bidco is aware, any person acting in concert (within the meaning of the City Code) with Bidco has any interest in, owns or has owned or controls or has controlled any Charter Shares (including pursuant to any short or long exposure, whether conditional or absolute, to changes in the prices of securities) or any rights to subscribe for or purchase the same, or holds or has held options (including traded options) in respect of, or has or has had any option to acquire, any Charter Shares or has entered into any derivatives referenced to Charter Shares ("**Relevant Shares**") which remain outstanding, nor does any person have or has any such person had any arrangement in relation to Relevant Shares. An "**arrangement**" for these purposes also includes any indemnity or option arrangement, or any arrangement or understanding, formal or informal, of whatever nature, relating to Relevant Shares which may be an inducement to deal or refrain from dealing in such securities, or any borrowing or lending of Relevant Shares that have not been on-lent or sold.

On 4 September 2011, Colfax made an announcement falling under Rule 2.4 of the City Code that it was in preliminary discussions regarding a possible all-cash offer to acquire Charter ("**Possible Offer Announcement**") that would generally require it to make an Opening Position Disclosure by no later than 12 noon on the day falling 10 Business Days after the Possible Offer Announcement. Bidco will not be releasing an Opening Position Disclosure today disclosing interests in the relevant securities of each of Colfax and Melrose as this Opening Position Disclosure would not disclose any interests. With the Panel's consent, Bidco will make an Opening Position Disclosure as soon as possible, and in any event before 12 noon on the day 10 Business Days after the date of this announcement disclosing interests in the relevant securities of Colfax.

#### 17. **Scheme of Arrangement**

It is intended that the Acquisition will be effected by a court sanctioned scheme of arrangement between Charter and the Scheme Shareholders under Article 125 of the Companies (Jersey) Law 1991. The purpose of the Scheme is to provide for Bidco to become owner of the whole of the issued and to be issued share capital of Charter.

Under the Scheme, the Acquisition is to be principally achieved by:

- the cancellation of the Scheme Shares held by Scheme Shareholders in consideration for which Scheme Shareholders will receive consideration on the basis set out in paragraph 2 of this announcement (including, the issue of New Colfax Shares to Scheme Shareholders);
- amendments to Charter's articles of association to ensure that any Charter Shares issued (other than to Bidco or any subsidiaries or nominees of Colfax) between approval of the Scheme at the Court Meeting and the Scheme Record Time will be subject to the Scheme and that any Charter Shares issued after the Scheme Record Time will automatically be acquired by Bidco; and
- the issue of New Charter Shares to Bidco provided for in the Scheme that will result in Charter becoming an indirect, wholly-owned subsidiary of Colfax.

The Acquisition will be subject to the Conditions and further terms and conditions referred to in Appendix 1 to this announcement and to be set out in the Scheme Document.

To become effective, the Scheme requires the approval of the Charter Shareholders by the passing of a resolution at the Court Meeting. The resolution must be approved by a majority in number representing not less than three-fourths of the voting rights of the holders of the Charter Shares (or the relevant class or classes thereof, if applicable) present and voting, either in person or by proxy, at the Court Meeting. To become effective, the Scheme also requires the passing of a special resolution at the Charter General Meeting, requiring the approval of Charter Shareholders representing at least two thirds of the votes cast at the Charter General Meeting (either in person or by proxy). The Charter General Meeting will be held immediately after the Court Meeting.

Following the Meetings, the Scheme must be sanctioned by the Court and the associated Capital Reduction must be confirmed by the Court. The Scheme will become effective in accordance with its terms on delivery of the Scheme Court Order, the Reduction Court Order

and the minute of the Capital Reduction attached thereto to the Registrar of Companies, and, in relation to the Capital Reduction, the Reduction Court Order and attached minute being filed with and registered by the Registrar of Companies.

Upon the Scheme becoming effective, it will be binding on all Charter Shareholders, irrespective of whether or not they attended or voted at the Meetings and the consideration due under the Acquisition will be despatched by Bidco to Scheme Shareholders no later than 14 days after the Effective Date.

The Scheme will contain a provision for Bidco and Charter to jointly consent, on behalf of all persons concerned, to any modification of or addition to the Scheme or to any condition that the Court may approve or impose. Charter has been advised that the Court would be unlikely to approve any modification of, or addition to, or impose a condition to the Scheme which might be material to the interests of Scheme Shareholders unless Scheme Shareholders were informed of such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of the Scheme Shareholders should be held in these circumstances.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the Charter General Meeting and the expected timetable, and will specify the action to be taken by Scheme Shareholders.

The Scheme will be governed by Jersey law. The Scheme will be subject to the applicable requirements of the City Code, the Panel, the London Stock Exchange and the UK Listing Authority. The bases and sources of certain information contained in this announcement are set out in Appendix 2. Certain terms used in this announcement are defined in Appendix 4.

#### **18. Irrevocable Undertakings**

Those members of the Board of Charter who hold beneficial interests in Charter Shares have irrevocably undertaken to vote in favour of the resolutions relating to the Acquisition at the Meetings (or, in the event that the Acquisition is implemented by way of a takeover offer, to accept the Offer) in respect of their own beneficial holdings which total 176,977 Charter Shares representing in aggregate approximately 0.1 per cent. of Charter's issued share capital at the date of this announcement. These irrevocable undertakings will continue to be binding even if a competing offer is made for Charter which exceeds the value of the Acquisition and even if such higher offer is recommended for acceptance by the Board of Charter.

Further details of these irrevocable undertakings are set out in Appendix 3.

#### **19. Delisting and re-registration**

Prior to the Scheme becoming effective, a request will be made to the London Stock Exchange to cancel trading in Charter Shares on its market for listed securities on the first Business Day following the Effective Date and the UK Listing Authority will be requested to cancel the listing of the Charter Shares from the Official List on the first Business Day following the Effective Date.

Share certificates in respect of the Charter Shares will cease to be valid and should be destroyed on the first Business Day following the Effective Date.

In addition, entitlements held within the CREST system to the Charter Shares will be cancelled on the first Business Day following the Effective Date.

As soon as practicable after the Effective Date, it is intended that Charter will be re-registered as a private limited company.

## 20. **Overseas Charter Shareholders**

The distribution of this announcement to, and the availability of the Acquisition to, persons who are not resident in the United Kingdom, Jersey or the United States may be affected by the laws of their relevant jurisdiction. Such persons should inform themselves of and observe any applicable legal or regulatory requirements of their jurisdiction. Further details in relation to overseas Charter Shareholders will be contained in the Scheme Document.

### ***Scheme Shareholders in the US***

The Scheme relates to the shares of a Jersey company that is a “foreign private issuer” as defined under Rule 3b-4 under the Exchange Act and will be governed by Jersey law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules under the Exchange Act. Accordingly, the Scheme is subject to the disclosure requirements and practices applicable in Jersey and under the Code to schemes of arrangement, which differ from the disclosure requirements of the US tender offer rules. Financial information included in this announcement has been prepared, unless specifically stated otherwise, in accordance with accounting standards applicable in Jersey and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If Bidco exercises its right to implement the Acquisition by way of a takeover offer, such offer will be made in compliance with applicable US laws and regulations.

The securities of Colfax referred to in this announcement have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

The issuance of New Colfax shares pursuant to the Scheme will not be registered under the Securities Act, and will be issued pursuant to the exemption provided by Section 3(a)(10) under the Securities Act. In the event that Colfax determines to conduct the Acquisition pursuant to a takeover offer or otherwise in a manner that is not exempt from the registration requirements of the Act, it will file a registration statement with the SEC that will contain a prospectus. In this event, Charter Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC's website at [www.sec.gov](http://www.sec.gov).

Neither the US Securities and Exchange Commission, nor any US state securities commission, has approved or disapproved of the Loan Notes or the New Colfax Shares to be issued in connection with the Acquisition, or determined if this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the US.

## 21. Rule 2.10 disclosure

In accordance with Rule 2.10 of the City Code, Colfax confirms that as at the close of business on 9 September 2011, being the last Business Day before this announcement, it had 43,590,915 shares of Colfax's common stock in issue and admitted to trading on the New York Stock Exchange under the ISIN US1940141062.

## 22. General

Colfax reserves the right to elect to implement the Acquisition by way of an Offer for the entire issued and to be issued share capital of Charter not already held by Bidco or any subsidiary or nominees of Colfax as an alternative to the Scheme. In such an event, an Offer will be implemented on the same terms (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme but with an acceptance condition which will be set at 75 per cent. (or such lower percentage as Colfax may decide or the Panel may require) as referred to in Part A of Appendix 1 to this announcement. Colfax has agreed that any such Offer would remain open for acceptance for at least 60 days after the Offer Document is published.

If the Acquisition is effected by way of an Offer and such Offer becomes or is declared unconditional in all respects and acceptances of more than 75 per cent. of the voting rights attaching to Charter Shares are received Bidco intends to: (i) request the London Stock Exchange and the UK Listing Authority to cancel trading in Charter Shares on the London Stock Exchange's main market for listed securities and the listing of the Charter Shares from the Official List; and (ii) exercise its rights, to the extent applicable, to apply the provisions of Articles 116 to 118 and Article 121 of the Companies (Jersey) Law 1991 to acquire compulsorily the remaining Charter Shares in respect of which the Offer has not been accepted.

The Acquisition will be subject to the Conditions and other terms set out in this announcement and to the full terms and conditions which will be set out in the Scheme Document. Appendix 2 contains bases and sources of certain information contained in this announcement. Details of irrevocable undertakings received by Bidco are set out in Appendix 3. Certain terms used in this announcement are defined in Appendix 4.

A copy of this announcement will be available, subject to certain restrictions relating to persons resident in Restricted Jurisdictions at Charter's website at [www.charter.ie](http://www.charter.ie) and at Colfax's website at [www.colfaxcorp.com/](http://www.colfaxcorp.com/). Neither the contents of Charter's website, the contents of Colfax's website, nor the content of any other website accessible from hyperlinks on either Charter's or Colfax's website, is incorporated into or forms part of this announcement.

*Notice to US investors in Charter: The Acquisition relates to the shares of a Jersey company that is a "foreign private issuer" (as defined under Rule 3b-4 under the US Exchange Act) and is being made by means of a scheme of arrangement provided for under Jersey company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Jersey to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. Financial information included in this announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. If, in the future, Bidco exercises the right to implement the Acquisition by way of a takeover offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations.*

*The securities of Colfax referred to in this announcement have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.*

*The issuance of New Colfax Shares pursuant to the Scheme will not be registered under the Securities Act, and will be issued pursuant to the exemption provided by Section 3(a)(10) under the Act. In the event that Colfax determines to conduct the Acquisition pursuant to a takeover offer or otherwise in a manner that is not exempt from the registration requirements of the Securities Act, it will file a registration statement with the SEC that will contain a prospectus. In this event, Charter Shareholders are urged to read these documents and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information, and such documents will be available free of charge at the SEC's website at [www.sec.gov](http://www.sec.gov).*

*Neither the US Securities and Exchange Commission, nor any US state securities commission, has approved or disapproved of the Loan Notes or the New Colfax Shares to be issued in connection with the Acquisition, or determined if this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the US.*

*It may be difficult for US holders of Charter Shares to enforce their rights and any claim arising out of the US federal laws, since Bidco and Charter are located in a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Charter Shares may not be able to sue a non-US company or its officers or directors or enforce a judgment rendered by a US court in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.*

### **Cautionary Note Regarding Forward-Looking Statements**

*This document contains certain statements about Colfax and Charter that are or may be "forward-looking statements" — that is, statements related to future, not past, events, including forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. These statements are based on the current expectations of the management of Colfax and Charter (as the case may be) and are subject to uncertainty and changes in circumstances, and involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such forward-looking statements.*

*The forward-looking statements contained in this press release may include statements about the expected effects on Charter and Colfax of the Acquisition, the expected timing and scope of the Acquisition, strategic options and all other statements in this document other than historical facts. Without limitation, any statements preceded or followed by or that include the words*

“targets”, “plans”, “believes”, “expects”, “aims”, “intends”, “will”, “may”, “anticipates”, “estimates”, “projects”, “seeks”, “sees”, “should,” “would,” “expect,” “positioned,” “strategy,” or words or terms of similar substance or the negative thereof, are forward-looking statements. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, losses and future prospects; (ii) business and management strategies and the expansion and growth of Colfax’s or Charter’s operations and potential synergies resulting from the Acquisition; (iii) the effects of government regulation on Colfax’s or Charter’s business, and (iv) Colfax’s plans, objectives, expectations and intentions generally.

There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements, including the satisfaction of the conditions to the Acquisition and other risks related to the Acquisition and actions related thereto. Additional particular uncertainties that could cause Colfax’s actual results to be materially different than those expressed in its forward-looking statements include: risks associated with Colfax’s international operations; significant movements in foreign currency exchange rates; changes in the general economy, as well as the cyclical nature of Colfax’s markets; Colfax’s ability to accurately estimate the cost of or realize savings from Colfax’s restructuring programs; availability and cost of raw materials, parts and components used in Colfax products; the competitive environment in Colfax’s industry; Colfax’s ability to identify, finance, acquire and successfully integrate attractive acquisition targets, including Charter should the Acquisition be successful; Colfax’s ability to complete the Acquisition as planned and achieve expected synergies in connection with the Acquisition, and risks relating to any unforeseen liabilities of Charter; Colfax’s ability to achieve or maintain credit ratings (in light of the Acquisition and financing of the Acquisition or otherwise) and the impact on its funding costs and competitive position if Colfax does not do so; and others risks and factors as disclosed in Colfax’s Annual Report on Form 10-K under the caption “Risk Factors”. Other unknown or unpredictable factors could also cause actual results to differ materially from those in any forward-looking statement.

Due to such uncertainties and risks, readers are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. None of Colfax or Charter undertakes any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.

Under Rule 8.3(a) of the City Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any paper offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any paper offeror is first identified.

An Opening Position Disclosure must contain details of the person’s interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10<sup>th</sup> business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10<sup>th</sup> business day following the announcement in which any paper offeror is first identified. Relevant persons who deal in the relevant securities of the offeree

*company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure. Under Rule 8.3(b) of the City Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.*

*Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4). If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129.*

In such event, such offer will be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Acquisition, but with an acceptance condition which will be set by reference to shares carrying 75 per cent. (or such lower percentage as Colfax may decide or the Panel may require) of the voting rights in Charter. The availability of the Acquisition to persons not resident in the United Kingdom or Jersey may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom or Jersey should inform themselves about and observe any applicable requirements.

The Scheme will be governed by Jersey law and be subject to the jurisdiction of the Jersey courts, to the conditions set out above and in the formal Scheme Document and related Forms of Proxy and Loan Note Form of Election. The Scheme will comply with the applicable rules and regulations of the FSA and the London Stock Exchange and the City Code.
