COLFAX CORPORATION
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. General

Colfax Corporation (the “Company” or “Colfax”) is a leading diversified technology company that provides fabrication technology and medical device products and services to customers around the world, principally under the ESAB and DJO brands. The Company conducts its operations through two operating segments, “Fabrication Technology”, which incorporates the operations of ESAB and its related brands, and “Medical Technology”, which incorporates the operations of DJO and its related brands.

On March 4, 2021, the Company announced its intention to separate its fabrication technology and specialty medical technology businesses into two differentiated, independent, and publicly traded companies. The current Colfax entity will retain the specialty medical technology business under a new name, while the fabrication technology business will operate independently under the existing ESAB brand name. The separation is intended to be structured in a tax-free manner and is targeted to be completed in the first quarter of 2022. The assets, liabilities, revenues and expenses of the fabrication technology businesses are included in continuing operations of the Company in the accompanying Condensed Consolidated Financial Statements.

The Condensed Consolidated Financial Statements included in this quarterly report have been prepared by the Company in accordance with the rules and regulations of the Securities and Exchange Commission (“SEC”) and accounting principles generally accepted in the United States of America (“GAAP”) for interim financial statements. Certain prior period amounts have been reclassified to conform to the current period presentation. The Condensed Consolidated Balance Sheet as of December 31, 2020 is derived from the Company’s audited financial statements. Certain information and footnote disclosures normally included in financial statements prepared in accordance with GAAP have been omitted in accordance with the SEC’s rules and regulations for interim financial statements. The Condensed Consolidated Financial Statements included herein should be read in conjunction with the audited financial statements and related footnotes included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2020 (the “2020 Form 10-K”), filed with the SEC on February 18, 2021.

The Condensed Consolidated Financial Statements reflect, in the opinion of management, all adjustments, which consist solely of normal recurring adjustments, necessary to present fairly the Company’s financial position and results of operations as of and for the periods indicated. Intercompany transactions and accounts are eliminated in consolidation.

The Company makes certain estimates and assumptions in preparing its Condensed Consolidated Financial Statements in accordance with GAAP. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the Condensed Consolidated Financial Statements and the reported amounts of revenues and expenses for the periods presented. Actual results may differ from those estimates.

In the normal course of business, the Company incurs research and development costs related to new product development which are expensed as incurred and included in Selling, general and administrative expense on the Company’s Condensed Consolidated Statements of Operations. Research and development costs were \$21.3 million and \$41.2 million during the three and six months ended July 2, 2021, respectively, and \$14.1 million and \$32.6 million during the three and six months ended July 3, 2020, respectively.

During the three months ended July 2, 2021, the Company used the proceeds from its March 2021 equity offering to redeem all \$600 million of its 2024 senior notes and \$100 million of outstanding principal on its 2026 senior notes. The Company paid an early redemption premium of \$24.4 million and recorded a loss on the extinguishment of \$29.9 million. Additionally, during the three months ended July 2, 2021, a pension settlement gain of \$11.2 million was recognized when the independent trustees of a company pension plan agreed to merge that plan with another company pension plan and contribute its surplus assets.

The results of operations for the three and six months ended July 2, 2021 are not necessarily indicative of the results of operations that may be achieved for the full year. Quarterly results are affected by seasonal variations in the Company’s businesses, and European operations typically experience a slowdown during the July, August and December holiday seasons. Medical Technology sales typically peak in the fourth quarter. General economic conditions may, however, impact future seasonal variations.

In December 2019, a novel coronavirus disease (“COVID-19”) was first reported in China. On March 11, 2020, due to worldwide spread of the virus, the World Health Organization characterized COVID-19 as a pandemic. The COVID-19 global

pandemic has resulted in a widespread health crisis, and the resulting impact on governments, businesses and individuals and actions taken by them in response to the situation have resulted in widespread economic disruptions, significantly affecting broader economies, financial markets, and overall demand for the Company's products. In 2021, these impacts continue to be observed, though to a lesser extent than 2020, primarily as a result of broadening access to COVID-19 vaccines and gradual relaxing of some government-mandated restrictions. The COVID-19 outbreak has caused increased uncertainty in estimates and assumptions affecting the reported amounts of assets and liabilities in the Condensed Consolidated Financial Statements as the extent and period of recovery from the COVID-19 outbreak and related economic disruption are difficult to forecast. Furthermore, the historical seasonality trends have been disrupted by the commercial impacts caused by the COVID-19 pandemic.

2. Recently Issued Accounting Pronouncements

Accounting Guidance Implemented in 2021

Standard	Description	Effective Date
ASU 2018-14, <i>Compensation - Retirement Benefits - Defined Benefit Plans - General (Topic 715-20): Disclosure Framework - Changes to the Disclosure Requirements for Defined Benefit Plans</i>	The ASU modifies the disclosure requirements for employers that sponsor defined benefit pension or other postretirement plans. The adoption of this ASU did not have a material impact on the Company's Condensed Consolidated Financial Statements.	January 1, 2021
ASU 2019-12, <i>Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes</i>	The ASU eliminates certain exceptions related to the approach for intraperiod tax allocation, the methodology for calculating income taxes in an interim period and the recognition of deferred tax liabilities for outside basis differences. It also clarifies and simplifies other aspects of accounting for income taxes. The Company adopted this ASU as of January 1, 2021 on a prospective basis, and the adoption did not have a material impact on the Company's Condensed Consolidated Financial Statements.	January 1, 2021

3. Discontinued Operations

The Company retained certain asbestos-related contingencies and insurance coverages from divested businesses for which it did not retain an interest in the ongoing operations subject to the contingencies. The Company has classified asbestos-related selling, general and administrative activity in its Condensed Consolidated Statements of Operations as part of Loss from discontinued operations, net of taxes. Asbestos-related costs, net of taxes were \$1.6 million and \$2.5 million during the three and six months ended July 2, 2021, respectively, and \$1.4 million and \$2.8 million during the three and six months ended July 3, 2020, respectively. See Note 13, "Commitments and Contingencies" for further information.

The Company also recorded Loss from discontinued operations, net of taxes of \$0.1 million and \$6.6 million during the three and six months ended July 2, 2021, respectively, and \$3.5 million and \$5.5 million during the three and six months ended July 3, 2020, respectively, related to its divested air and gas handling business, including a settlement executed in the first quarter of 2021, as well as certain professional, legal, and consulting fees in 2020.

Cash used in operating activities related to discontinued operations for the six months ended July 2, 2021 and July 3, 2020 was \$4.6 million and \$7.9 million, respectively.

4. Acquisitions

The Company completed one acquisition in its Fabrication Technology segment and three acquisitions in its Medical Technology segment during the six months ended July 2, 2021 for total consideration, net of cash received, of \$215.9 million. The acquisitions are accounted for under the acquisition method of accounting, and accordingly, the Condensed Consolidated Financial Statements include the financial position and results of operations from the respective acquisition date. The Condensed Consolidated Balance Sheet as of July 2, 2021 reflects our preliminary estimates of fair value and are subject to adjustment. The Company also made two investments in medical technology businesses during the six months ended July 2, 2021 for a total of \$14.8 million. Both investments are carried at cost, as they do not have a readily determinable fair value.

COLFAX CORPORATION
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS — (Continued)

In the first quarter of 2021 the Medical Technology segment acquired Trilliant Surgical (“Trilliant”), a national provider of foot and ankle orthopedic implants. The product technologies of Trilliant support the Medical Technology segment’s focused expansion into the adjacent foot and ankle market. Trilliant has a broad product portfolio that covers the full universe of foot reconstructive and fixation procedures, and includes the novel Arsenal Foot Plating System, designed for greater flexibility and speed of implant placement. In the second quarter of 2021, the Medical Technology segment acquired MedShape, Inc.

(“MedShape”), a provider of innovative surgical solutions for foot and ankle surgeons using its patented superelastic nickel titanium (NiTiNOL) and shape memory polymer technologies. This acquisition further expands the Company’s foot and ankle platform. These two acquisitions were completed for total consideration, net of cash received, of \$205.4 million, subject to certain adjustments. Net working capital and intangible assets acquired represent 9% and 47% of the total consideration paid for these two acquisitions, respectively, with the residual amount primarily attributable to Goodwill. The Goodwill acquired in the Trilliant acquisition is expected to be deductible for income tax purposes. The estimated proforma annual revenues, as if the Trilliant and MedShape acquisitions occurred on January 1, 2021, are approximately 1% of Colfax’s consolidated revenues.

In addition, on June 7, 2021, the Company entered a definitive agreement to acquire Mathys AG Bettlach (“Mathys”) for total acquisition consideration of approximately \$285 million, expected to be financed with Colfax common stock. Mathys, a Switzerland-based company, develops and distributes innovative products for artificial joint replacement, synthetic bone graft solutions, and sports medicine. Given the nature of the Fabrication Technology and Medical Technology businesses, the total amount of unsatisfied performance obligations with an original contract duration of greater than one year as of July 2, 2021 is immaterial.

The nature of the Company's contracts gives rise to certain types of variable consideration, including rebates, implicit price concessions, and other discounts. The Company includes estimated amounts of variable consideration in the transaction price to the extent that it is probable there will not be a significant reversal of revenue.

In some circumstances, customers are billed in advance of revenue recognition, resulting in contract liabilities. As of December 31, 2020 and 2019, total contract liabilities were \$36.6 million and \$14.8 million, respectively. During the three and six months ended July 2, 2021, revenue recognized that was included in the contract liability balance at the beginning of the year was \$5.1 million and \$19.4 million, respectively. During the three and six months ended July 3, 2020, revenue recognized that was included in the contract liability balance at the beginning of the year was \$3.8 million and \$8.7 million, respectively. As of July 2, 2021 and July 3, 2020, total contract liabilities were \$33.5 million and \$33.1 million, respectively, and were included in Accrued liabilities on the Company's Condensed Consolidated Balance Sheets. The contract liabilities as of July 2, 2021 and December 31, 2020 include \$9.9 million and \$11.8 million of certain one-time advance payments in the Medical Technology business, respectively.

Allowance for Credit Losses

The Company's estimate of current expected credit losses on trade receivables considers historical credit loss information that is adjusted for current conditions and reasonable and supportable forecasts. In calculating and applying its current expected credit losses, the Company disaggregates trade receivables into business segments due to risk characteristics unique to each segment given the individual lines of business and market. The business segments are further disaggregated based on either geography or product type.

The Company uses a loss rate methodology in calculating its current expected credit losses, leveraging historical write-offs over a defined lookback period in deriving a historical loss rate. The expected credit loss model further considers current conditions and reasonable and supportable forecasts using an adjustment for current and projected macroeconomic factors. Management identified appropriate macroeconomic indicators based on tangible correlation to historical losses considering the location and risks associated with the Company.

A summary of the activity in the Company's allowance for credit losses included within Trade receivables in the Condensed Consolidated Balance Sheets is as follows:

Net income (loss) per share from continuing operations – diluted	\$ 0.19	\$ (0.03)	\$ 0.38	\$ 0.03

⁽¹⁾ Net income (loss) from continuing operations attributable to Colfax Corporation for the respective periods is calculated using Net income (loss) from continuing operations less the income attributable to noncontrolling interest, net of taxes, of \$1.1 million and \$2.2 million for the three and six months ended July 2, 2021, respectively, and \$0.4 million and \$1.5 million for the three and six months ended July 3, 2020, respectively.

For all periods presented, the weighted-average shares of Common stock outstanding - basic includes the impact of 18.4 million shares related to the issuance of Colfax's tangible equity units. During the three and six months ended July 2, 2021, conversions of the Company's tangible equity units resulted in the issuance of approximately 6.2 million and 6.5 million shares of Colfax common stock, respectively. The issued shares are included in the Common stock issued and outstanding as July 2, 2021. For the six months ended July 3, 2020, the weighted-average shares of Common stock outstanding - diluted includes the impact of an additional 1.9 million potentially issuable dilutive shares related to Colfax's tangible equity units as a result of the Company's share price in March 2020. See Note 8, "Equity" for details.

The weighted-average computation of the dilutive effect of potentially issuable shares of Common stock under the treasury stock method for the three and six months ended July 2, 2021 excludes 1.6 million and 1.3 million, respectively, of outstanding stock-based compensation awards as their inclusion would be anti-dilutive.

The weighted-average computation of the dilutive effect of potentially issuable shares of Common stock under the treasury stock method for the three and six months ended July 3, 2020 excludes 4.9 million and 4.2 million, respectively, of outstanding stock-based compensation awards as their inclusion would be anti-dilutive.

7. Income Taxes

During the three and six months ended July 2, 2021, Income from continuing operations before income taxes was \$39.5 million and \$75.1 million, respectively, while the income tax expense was \$8.2 million and \$16.1 million, respectively. The effective tax rates were 20.7% and 21.4% for the three and six months ended July 2, 2021, respectively, which both differed slightly from the 2021 U.S. federal statutory rate of 21% mainly due to the effective settlements on uncertain tax positions and U.S. tax credits, offset by withholding taxes, U.S. tax on international operations, and other non-deductible expenses.

During the three and six months ended July 3, 2020, Loss from continuing operations before income taxes was \$33.2 million and \$11.2 million, respectively, while the income tax benefit was \$30.1 million and \$16.9 million, respectively. The effective tax rates were 90.5% and 151.3% for the three and six months ended July 3, 2020, respectively. The effective tax rate for the three months ended July 3, 2020 differed from the 2020 U.S. federal statutory rate of 21% mainly due to the net impact of U.S. tax credits and state taxes on the forecasted rate and a \$6.8 million discrete tax benefit associated with the filing of timely elected changes to U.S. Federal tax returns to credit rather than to deduct foreign taxes and the realization of tax benefits associated with effective settlements on uncertain tax positions. These favorable impacts were partially offset by the impact of additional U.S. tax on international operations and taxable foreign exchange gains. The effective tax rate for the six months ended July 3, 2020 differed from the 2020 U.S. federal statutory rate of 21% mainly due to the net impact of U.S. tax credits and state taxes on the forecasted rate and the previously mentioned discrete tax benefit associated with the filing of timely elected changes to U.S. Federal tax returns to credit rather than to deduct foreign taxes, the impact of an enacted law change in India, and the realization of tax benefits associated with effective settlements on uncertain tax positions. These favorable impacts were partially offset by the impact of additional U.S. tax on international operations and taxable foreign exchange gains. Income taxes for the six months ended July 3, 2020 were calculated forecasting an estimated annual effective tax rate for the full year. Income taxes for the three months ended July 3, 2020 were calculated forecasting an estimated annual effective tax rate for the full year less the income tax expense for the period ended April 3, 2020. In conjunction with the filing of the timely elected changes to credit rather than to deduct foreign taxes, the Company obtained additional foreign tax credit carryforwards. The Company evaluated all positive and negative evidence in determining the realizability of these deferred tax assets and based on such evidence, concluded a full valuation allowance was needed.

Tangible equity unit (“TEU”) offering

On January 11, 2019, the Company issued 4.6 million TEUs at the stated amount of \$100 per unit. Net cash of \$447.7 million was received upon closing. A portion of the proceeds from the issuance of the TEUs were allocated initially to equity (the “TEU prepaid stock purchase contract”) and debt (the “TEU amortizing notes”) based on the relative fair value of the respective components of each TEU. See Note 10, “Debt” for further information regarding the TEU amortizing notes.

TEU prepaid stock purchase contracts

Unless previously settled at the holder’s option, for each purchase contract the Company will deliver to holders on January 15, 2022 (subject to postponement in certain limited circumstances, the “mandatory settlement date”) a number of shares of common stock. The number of shares of common stock issuable upon settlement of each purchase contract (the “settlement rate”) will be determined using the arithmetic average of the volume average weighted price for the 20 consecutive trading days beginning on, and including, the 21st scheduled trading day immediately preceding January 15, 2022 (“the Applicable Market Value”) with reference to the following settlement rates:

- if the Applicable Market Value of the common stock is greater than the threshold appreciation price of \$25.00, the holder will receive 4.0000 shares of common stock for each purchase contract (the “minimum settlement rate”);
- if the Applicable Market Value of the common stock is greater than or equal to the reference price of \$20.81, but less than or equal to the threshold appreciation price of \$25.00, the holder will receive a number of shares of common stock for each purchase contract having a value, based on the Applicable Market Value, equal to \$100; and
- if the Applicable Market Value of the common stock is less than the reference price of \$20.81, the holder will receive 4.8054 shares of common stock for each purchase contract (the “maximum settlement rate”).

Earnings per share

Unless the TEU stock purchase contracts are redeemed by the Company or settled earlier at the unit holder’s option, they are mandatorily convertible into shares of Colfax common stock at not less than 4.0 shares per purchase contract or more than 4.8054 shares per purchase contract on January 15, 2022. This corresponds to not less than 18.4 million shares and not more than 22.1 million shares at the maximum. The 18.4 million minimum shares are included in the calculation of weighted-average shares of Common stock outstanding - basic. The difference between the minimum and maximum shares represents potentially dilutive securities. The Company includes them in its calculation of weighted-average shares of Common stock outstanding - diluted on a pro rata basis to the extent the effect is not anti-dilutive and the average Applicable Market Value is higher than the reference price but is less than the threshold appreciation price. During the three and six months ended July 2,

12. Financial Instruments and Fair Value Measurements

The carrying values of financial instruments, including Trade receivables and Accounts payable, approximate their fair values due to their short-term maturities. The \$1.6 billion and \$2.3 billion estimated fair value of the Company's debt as of July 2, 2021 and December 31, 2020, respectively, was based on current interest rates for similar types of borrowings and is in Level Two of the fair value hierarchy. The estimated fair values may not represent actual values of the financial instruments that could be realized as of the balance sheet date or that will be realized in the future.

A summary of the Company's assets and liabilities that are measured at fair value for each fair value hierarchy level for the periods presented is as follows:

13. Commitments and Contingencies

For further description of the Company's litigation and contingencies, reference is made to Note 18, "Commitments and Contingencies" in the Notes to Consolidated Financial Statements in the Company's 2020 Form 10-K. Since the Company did not retain an interest in the ongoing operations of its divested businesses, the retained asbestos-related activity has been classified in its Condensed Consolidated Statements of Operations as a component of Loss from discontinued operations, net of taxes.

Claims unresolved, beginning of period	14,809	16,299

⁽²⁾ Claims resolved include all asbestos claims that have been settled, dismissed or that are in the process of being settled or dismissed based upon agreements or understandings in place with counsel for the claimants.

	(In thousands)	
Long-term asbestos insurance asset ⁽¹⁾	\$ 230,160	\$ 232,712

⁽³⁾ Included in Other liabilities in the Condensed Consolidated Balance Sheets.

Management's analyses are based on currently known facts and assumptions. Projecting future events, such as new claims to be filed each year, the average cost of resolving each claim, coverage issues among layers of insurers, the method in which losses will be allocated to the various insurance policies, interpretation of the effect on coverage of various policy terms and limits and their interrelationships, the continuing solvency of various insurance companies, the amount of remaining insurance available, as well as the numerous uncertainties inherent in asbestos litigation could cause the actual liabilities and insurance recoveries to be higher or lower than those projected or recorded which could materially affect the Company's financial condition, results of operations or cash flow.

General Litigation

The Company is involved in other pending legal proceedings arising out of the ordinary course of the Company's business. None of these legal proceedings are expected to have a material adverse effect on the financial condition, results of operations or cash flow of the Company. With respect to these proceedings and the litigation and claims described in the preceding paragraphs, management of the Company believes that it will either prevail, has adequate insurance coverage or has established appropriate accruals to cover potential liabilities. Any costs that management estimates may be paid related to these proceedings or claims are accrued when the liability is considered probable and the amount can be reasonably estimated. There can be no assurance, however, as to the ultimate outcome of any of these matters, and if all or substantially all of these legal proceedings were to be determined adverse to the Company, there could be a material adverse effect on the financial condition, results of operations or cash flow of the Company.

Overview

Please see Part I, Item 1. “Business” in our 2020 Form 10-K for a discussion of Colfax’s objectives and methodologies for delivering shareholder value.

Colfax conducts its operations through two operating segments: Fabrication Technology and Medical Technology.

- **Fabrication Technology** - a leading global supplier of consumable products and equipment for use in the cutting, joining and automated welding, as well as gas control equipment, providing a wide range of products with innovative technologies to solve challenges in a wide range of industries.
- **Medical Technology** - a leader in orthopedic solutions, providing devices, software and services spanning the full continuum of patient care, from injury prevention to joint replacement to rehabilitation.

Certain amounts not allocated to the two reportable segments and intersegment eliminations are reported under the heading “Corporate and other.”

We have a global footprint, with production facilities in Europe, North America, South America, Asia, Australia and Africa. We serve a global customer base across multiple markets through a combination of direct sales and third-party distribution channels. Our customer base is highly diversified in the medical and industrial end markets.

Integral to our operations is Colfax Business System (“CBS”), our business management system. CBS is our culture and includes our values and behaviors, a comprehensive set of tools, and repeatable, teachable processes that we use to drive continuous improvement and create superior value for our customers, shareholders and associates. We believe that our management team’s access to, and experience in, the application of the CBS methodology is one of our primary competitive strengths.

Results of Operations

The following discussion of Results of Operations addresses the comparison of the periods presented. Our management evaluates the operating results of each of its reportable segments based upon Net sales, Segment operating income, which represents Operating income before Restructuring and other related charges and European Union Medical Devices Regulation (“MDR”) costs, and Adjusted EBITA as defined in the “Non-GAAP Measures” section.

Items Affecting Comparability of Reported Results

The comparability of our operating results for the three and six months ended July 2, 2021 to the comparable periods in 2020 is affected by the following additional significant items:

Recent Events

During the second quarter of 2021, we used the proceeds from our March 2021 equity offering to redeem all \$600 million of our 2024 senior notes and \$100 million of outstanding principal on our 2026 senior notes. We paid an early redemption premium of \$24.4 million and recorded a loss on the extinguishment of \$29.9 million. Additionally, we recognized a pension settlement gain of \$11.2 million when the independent trustees of a company pension plan agreed to merge that plan with another company pension plan and contribute its surplus assets.

The Separation

We currently report our operations through our Fabrication Technology and Medical Technology segments. These businesses operate in distinct markets, with unique business opportunities and investment requirements. On March 4, 2021, we announced the intention to separate these businesses into two differentiated, independent publicly traded companies (the “Separation”). The Chairman of our board of directors and co-founder of Colfax, Mitchell P. Rales, is expected to serve on the boards of directors of both companies.

We expect that the Separation will allow each company to: (1) optimize capital allocation for internal investment, mergers and acquisitions, and return of capital to shareholders; (2) tailor investment to its specific business profile and strategic priorities in the most efficient manner possible; (3) increase operating flexibility and resources to capitalize on growth opportunities in its respective markets; and (4) improve both investor alignment with its clear value proposition and the ability for investors to value it based on its distinct strategic, operational and financial characteristics. The Separation would also provide each company with an appropriately valued acquisition currency that could be used for larger, transformational transactions.

We continue to make progress on the Separation and are targeting its completion in the first quarter of 2022. Completion of the Separation is subject to, among other things, completion of financing and other transactions on satisfactory terms, other steps necessary to qualify the Separation as a tax-free transaction, receipt of regulatory approvals, a favorable tax opinion and/or IRS ruling and final approval from our board of directors. There can be no assurance regarding the form and timing of the Separation or its completion. Details regarding the Separation will be included in our future filings with the SEC.

Please see Part II, Items 1A. “Risk Factors” in this Form 10-Q for further discussion of the Company’s risks relating to the Separation.

The COVID-19 Pandemic

In December 2019, a novel coronavirus disease (“COVID-19”) was first reported in China. On March 11, 2020, due to worldwide spread of the virus, the World Health Organization characterized COVID-19 as a pandemic. The COVID-19 global pandemic has resulted in a widespread health crisis, and the resulting impact on governments, businesses and individuals and actions taken by them in response to the situation resulted in widespread economic disruptions in 2020, significantly affecting broader economies, financial markets, and overall demand for our products.

In an effort to protect the health and safety of our employees, we have taken actions to adopt social distancing policies at our locations around the world, including working from home, reducing the number of people in our sites at any one time, and suspending or restricting employee travel. In an effort to contain COVID-19 or slow its spread, governments around the world

have enacted measures throughout 2020 and into 2021, including periodically closing businesses not deemed “essential,” isolating residents to their homes, limiting access to healthcare, curtailing activities including sporting events, and practicing social distancing. However, increased access to vaccinations throughout 2021 has contributed to slowing the spread of COVID-19 in certain jurisdictions and, consequently, some or all restrictions have been lifted in a number of jurisdictions around the world, allowing a return to more normal activity and operational levels.

During 2020, we implemented a broad range of temporary actions to mitigate the effects of lower sales levels including temporarily reducing salaries, furloughing and laying-off employees, significantly curtailing discretionary expenses, re-phasing of capital expenditures, reducing supplier purchase levels and / or prices, adjusting working capital practices and other measures. As sales volumes returned to more normal levels in 2021, these measures have been removed.

As reflected in the discussions that follow, the pandemic and actions taken in response to it have had a variety of impacts on our results of operations during 2020 and 2021. In 2020, the pandemic began to impact our financial results in March, with the most severe financial impact occurring in the second quarter. Subsequently, we observed a partial recovery in the second half of 2020. The surge in COVID-19 cases in the fourth quarter of 2020 contributed to certain jurisdictions putting further restrictions into place, which slowed recovery in the fourth quarter of 2020, and the impact continued into the beginning of the first quarter of 2021, after which sales volumes began to normalize.

We continue to monitor the evolving situation and guidance from international and domestic authorities, including national and local public health authorities, and may take additional actions based on their recommendations. In these circumstances, there may be developments outside our control that require us to further adjust our operations. In the first half of 2021, we observed a normalization in most countries in which we operate primarily as a result of increased access to COVID-19 vaccines and relaxing of some government-mandated restrictions. However, given the continued dynamic nature of this situation, including the rise, prevalence and severity of variants of the virus, we cannot reasonably estimate the full impacts of COVID-19 on our financial condition, results of operations or cash flows in the future.

Please see “Part I. Item 1A. Risk Factors” in our 2020 Form 10-K for a further discussion of some of the risks related to the COVID-19 pandemic.

Strategic Acquisitions

We complement our organic growth plans with strategic acquisitions. Acquisitions can significantly affect our reported results, and we report the change in our Net sales between periods both from existing and acquired businesses. The change in Net sales due to acquisitions for the three and six months ended July 2, 2021 presented in this filing represents the incremental sales subsequent to the beginning of the prior year periods.

We completed one acquisition in our Fabrication Technology segment and three acquisitions in our Medical Technology segment during the six months ended July 2, 2021 for total consideration, net of cash received, of \$215.9 million. This includes the acquisition of, among another, Trilliant Surgical, a national provider of foot and ankle orthopedic implants, and MedShape, Inc., a provider of innovative surgical solutions for foot and ankle surgeons, for total consideration, net of cash received, of \$205.4 million within our Medical Technology segment.

In addition, on June 7, 2021, we entered into a definitive agreement for the acquisition of Mathys AG Bettlach (“Mathys”), a Switzerland-based company that develops and distributes innovative products for artificial joint replacement, synthetic bone graft solutions and sports medicine. We believe that the acquisition will expand our reconstructive product portfolio with Mathys’ complimentary surgical solutions and customer base. Total acquisition consideration of approximately \$285 million is expected to be financed with Colfax common stock. The transaction is expected to close on July 28, 2021 subsequent to the filing of this Form 10-Q, subject to the satisfaction of closing conditions.

Foreign Currency Fluctuations

A significant portion of our Net sales, approximately 59% and 60% for the three and six months ended July 2, 2021, respectively, were derived from operations outside the U.S., with the majority of those sales denominated in currencies other than the U.S. dollar. Because much of our manufacturing and employee costs are outside the U.S., a significant portion of our costs are also denominated in currencies other than the U.S. dollar. Changes in foreign exchange rates can impact our results of operations and are quantified when significant. For the six months ended July 2, 2021 compared to the six months ended July 3, 2020, fluctuations in foreign currencies had a favorable impact on the change in Net sales of approximately 3% and affected

Gross profit and Selling, general and administrative expenses by less than 3%. For the second quarter of 2021 compared to the second quarter of 2020, fluctuations in foreign currencies had a favorable impact on the change in Net sales of approximately 4%, and affected Gross profit and Selling, general and administrative expenses by less than 3%. The changes in foreign exchange rates since December 31, 2020 also decreased net assets by less than 2% as of July 2, 2021.

Seasonality

European operations in our Fabrication Technology segment typically experience a slowdown during the July, August and December vacation seasons. Sales in our Medical Technology segment typically peak in the fourth quarter. However, the business impact caused by the COVID-19 pandemic distorted the effects of historical seasonality patterns in 2020.

Non-GAAP Measures

Adjusted EBITA

Adjusted EBITA, a non-GAAP performance measure, is included in this report because it is a key metric used by our management to assess our operating performance. Adjusted EBITA excludes from Net income (loss) from continuing operations the effect of restructuring and other related charges, MDR and other costs, acquisition-related intangible asset amortization and other non-cash charges, and strategic transaction costs, as well as income tax expense (benefit), pension settlement gain, debt extinguishment charges and interest expense, net. We also present Adjusted EBITA margin, which is subject to the same adjustments as Adjusted EBITA. Further, we present Adjusted EBITA (and Adjusted EBITA margin) on a segment basis, where we exclude the impact of restructuring and other related charges, MDR and other costs, acquisition-related intangible asset amortization and other non-cash charges, and strategic transaction costs from segment operating income. Adjusted EBITA assists Colfax management in comparing its operating performance over time because certain items may obscure underlying business trends and make comparisons of long-term performance difficult, as they are of a nature and/or size that occur with inconsistent frequency or relate to discrete restructuring plans and other initiatives that are fundamentally different from our ongoing productivity improvements. Colfax management also believes that presenting these measures allows investors to view its performance using the same measure that we use in evaluating our financial and business performance and trends.

Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information calculated in accordance with GAAP. Investors are encouraged to review the reconciliation of these non-GAAP measures to their most directly comparable GAAP financial measures. The following tables set forth a reconciliation of Net income (loss) from continuing operations, the most directly comparable GAAP financial measure, to Adjusted EBITA.

⁽²⁾ Represents the incremental sales as a result of acquisitions closed subsequent to the beginning of the prior year respective periods.

⁽³⁾ Represents the difference between prior year sales valued at the actual prior year foreign exchange rates and prior year sales valued at current year foreign exchange rates.

The increase in Net sales during the three and six months ended July 2, 2021 compared to the prior year periods was primarily attributable to the strong recovery from the prior year COVID-related sales downturn in the first half of 2020. During the three and six months ended July 2, 2021, the existing business sales of our Fabrication Technology segment increased \$196.2 million and \$231.0 million, respectively, while our Medical Technology segment increased \$121.6 million and \$121.1 million, respectively. Our Fabrication Technology segment benefited from new product initiatives in the second quarter and first half of 2021. Net sales from acquisitions increased during the three and six months ended July 2, 2021 primarily due to acquisitions in our Medical Technology segment that closed in the fourth quarter of 2020 and first half of 2021. The weakening of the U.S. dollar relative to other currencies resulted in \$24.1 million and \$38.3 million favorable foreign currency translation impacts during the three and six months ended July 2, 2021, respectively.

Second Quarter of 2021 Compared to Second Quarter of 2020

Gross profit increased \$177.9 million in the second quarter of 2021 compared with the prior year period due to a \$78.5 million increase in our Fabrication Technology segment and a \$99.4 million increase in our Medical Technology segment. The Gross profit increase was primarily attributable to the significant rebound from lower sales volumes in the second quarter of 2020 caused by the COVID-19 impact, which created more favorable operating leverage and production efficiencies. These factors also contributed to the increase in Gross profit margin, which was partially offset by increased supply chain costs and inflation-related pricing and cost increases in our Fabrication Technology segment during the second quarter of 2021.

Selling, general and administrative expense increased \$101.9 million in the second quarter of 2021 compared to the prior year period due to increased sales commissions from increased sales levels, the cessation of prior year temporary cost reduction measures that were taken in response to COVID-19, and \$17.9 million related to acquired businesses. Strategic transaction costs increased due to costs incurred related to the Separation. Restructuring and other related charges decreased due to the completion of certain restructuring programs.

Additionally, during the second quarter of 2021, a pension settlement gain of \$11.2 million was recognized when the independent trustees of a company pension plan agreed to merge that plan with another company pension plan and contribute its surplus assets.

Debt extinguishment charges of \$29.9 million were recorded in the second quarter of 2021 due to an early redemption of certain senior notes. Interest expense, net decreased in the second quarter of 2021 compared to the same period in the prior year,

due to a reduction in debt balances in the second quarter of 2021, primarily as a result of the aforementioned redemption of senior notes.

The effective tax rate for Net income (loss) from continuing operations during the second quarter of 2021 was 20.7%, which was slightly lower than the 2021 U.S. federal statutory tax rate of 21%, mainly due to the net impact of international tax rates, effective settlements on uncertain tax positions and U.S. tax credits, offset by withholding taxes, U.S. tax on international operations and other non-deductible expenses. The effective tax rate for the second quarter of 2020 was 90.5%, which was higher than the 2020 U.S. federal statutory tax rate of 21% mainly due to the impact of additional U.S. tax on international operations and taxable foreign exchange gains, offset in part by a discrete tax benefit associated with the enactment of a tax law change in India.

Net income from continuing operations increased in the second quarter of 2021 compared with the prior year period primarily due to the strong recovery from the prior year COVID-related sales downturn and related cost impacts. The sales-related benefits from this recovery in the second quarter of 2021 were partially offset by increases in expenses attributable to the temporary cost reductions implemented in the second quarter of 2020 in reaction to COVID-driven sales reductions. In the second quarter of 2021 we incurred higher sales commissions related to higher sales, increased Strategic transaction costs related to the Separation, and debt extinguishment charges in the current year period. Net income margin from continuing operations increased by 370 basis points due to the aforementioned factors. Adjusted EBITA and related margins increased primarily due to the improved sales volumes, partially offset by higher sales commissions and the cessation of second quarter 2020 temporary cost reductions.

Six months ended July 2, 2021 Compared to Six months ended July 3, 2020

Gross profit increased \$200.8 million in the six months ended July 2, 2021 compared with the prior year period due to a \$89.5 million increase in our Fabrication Technology segment and a \$111.3 million increase in our Medical Technology segment. The Gross profit increase was primarily attributable to higher sales volumes and the related improved production variances compared to the six months ended July 3, 2020, during which sales volumes were negatively impacted by the COVID-19 pandemic. During the six months ended July 2, 2021, Gross profit also improved due to acquisition growth, new product initiatives and favorable foreign currency impacts. Gross profit margin increased for the same reasons Gross profit increased, partially offset by inflation-related pricing and cost increases in our Fabrication Technology segment.

Selling, general and administrative expense increased \$115.4 million in the six months ended July 2, 2021 compared to the prior year period primarily due to increased sales commissions from increased sales levels, and the cessation of prior year temporary cost reduction measures that were taken in response to COVID-19. To a lesser extent, acquisition-related expenses and strategic transaction costs related to the Separation also increased Selling, general and administrative expense during the six months ended July 2, 2021. Restructuring and other related charges decreased due to the completion of certain restructuring programs in our Medical Technology segment.

Additionally, during the six months ended July 2, 2021, a pension settlement gain of \$11.2 million was recognized when the independent trustees of a company pension plan agreed to merge that plan with another company pension plan and contribute its surplus assets.

Debt extinguishment charges of \$29.9 million were recorded in the second quarter of 2021 due to an early redemption of certain senior notes. Interest expense, net decreased in the six months ended July 2, 2021 compared to the same period in the prior year, primarily due to an overall reduction in debt balances during the current year period as a result of the aforementioned redemption of senior notes.

The effective tax rate for Net income (loss) from continuing operations during the six months ended July 2, 2021 was 21.4%, which was slightly higher than the 2021 U.S. federal statutory tax rate of 21%, mainly due to withholding taxes, U.S. tax on international operations, and other non-deductible expenses, offset by the net impact of international tax rates, the realization of tax benefits associated with effective settlements on uncertain tax positions, and U.S. tax credits. The effective tax rate for the six months ended July 3, 2020 was 151.3%, which was higher than the 2020 U.S. federal statutory tax rate of 21% mainly due to the impact of U.S. tax credits and state taxes on the forecasted rate and discrete tax benefits associated with the filing of timely elected changes to U.S. Federal tax returns to credit rather than to deduct foreign taxes, the impact of an enacted law change in India, and the realization of tax benefits associated with effective settlements on uncertain tax. These favorable impacts were offset by the impact of additional U.S. tax on international operations and taxable foreign exchange gains.

Net income from continuing operations increased in the six months ended July 2, 2021 compared with the prior year period primarily due to the strong recovery from the prior year COVID-related sales downturn and related cost impacts. The sales-related benefits from this recovery in the six months ended July 2, 2021 were partially offset by increases in expenses attributable to the temporary cost reductions implemented during the six months ended July 3, 2020 in reaction to COVID-driven sales reductions. In the six months ended July 2, 2021, we incurred higher sales commissions related to higher sales, and debt extinguishment charges. Net income margin from continuing operations increased by 280 basis points due to the aforementioned factors. Adjusted EBITA increased primarily due to the improved sales volumes, new product initiatives, and benefits from previously-completed restructuring programs, partially offset by the aforementioned sales commission increases, and the cessation of the aforementioned temporary cost reductions. Adjusted EBITA margin increased for the same reasons. Adjusted EBITA increased, partially offset by inflation-related pricing and cost increases in our Fabrication Technology segment during the six months ended July 2, 2021.

Second Quarter of 2021 Compared to Second Quarter of 2020

Net sales in our Fabrication Technology segment increased \$215.4 million in the second quarter of 2021 compared with the prior year period primarily due to the strong recovery from the COVID effects in the second quarter of 2020. Sales also increased due to new product initiatives, inflation-related pricing impacts of approximately 11% of the sales increase, and an \$18.5 million favorable foreign currency impact during the second quarter of 2021. Gross profit and Gross profit margin increased \$78.5 million and 90 basis points, respectively, due to the higher sales volumes and the related improved production efficiencies compared to the prior year period. The increase in Gross profit margin was partially offset by inflation-related

pricing and cost increases, which compressed the margin. Selling, general and administrative expense increased primarily due to the cessation of temporary cost reductions implemented during the second quarter of 2020, partially offset by benefits from ongoing restructuring initiatives to structurally reduce costs. Segment operating income and Adjusted EBITA improved due to increased sales volumes, partially offset by increased Selling, general and administrative expenses. The related margins increased for the same reasons, partially offset by inflation-related pricing and cost increases during the second quarter of 2021.

Six months ended July 2, 2021 Compared to Six months ended July 3, 2020

Net sales increased \$258.0 million in the six months ended July 2, 2021 compared with the prior year period, due to the strong recovery from the COVID effects in the six months ended July 3, 2020, as well as new product initiatives, inflation-related pricing impacts, and a \$25.9 million favorable foreign currency translation impact in the current year period. Gross profit increased \$89.5 million during the six months ended July 2, 2021 as a result of improved sales volumes, while Gross profit margin decreased 10 basis points due to inflation-related pricing and cost increases, which compressed the margin. Selling, general and administrative expense increased in the period primarily due to the cessation of temporary cost reductions implemented in the second quarter of 2020, partially offset by benefits from restructuring initiatives. Segment operating income and Adjusted EBITA increased in the six months ended July 2, 2021 compared to the prior year period due to the improved sales volumes, partially offset by increased Selling, general and administrative costs. The related margins increased for the same reasons, partially offset by inflation-related pricing and cost increases over the same period.

Second Quarter of 2021 Compared to Second Quarter of 2020

Net sales increased for our Medical Technology segment in the second quarter of 2021 compared with the prior year period primarily due to the strong recovery from COVID-driven lower sales in the second quarter of 2020, as well as acquisition-related sales growth of \$22.9 million and a favorable foreign currency translation effect of \$5.6 million in the current year

period. Gross profit and gross profit margins increased in the second quarter of 2021 compared to the second quarter of 2020 primarily due to improved sales volumes and acquisition-related growth, partially offset by increased supply chain costs. Selling, general and administrative expense increased over the same period primarily due to the cessation of temporary employee cost reductions implemented during the second quarter of 2020, as well as higher sales commissions and acquisition-related expenses, including integration costs from the newly-acquired businesses, in the current year period. Segment operating income, Adjusted EBITA and the related margins all increased as a result of the aforementioned factors. Restructuring and other related charges decreased by \$3.1 million due to the completion of certain projects in earlier periods.

Six months ended July 2, 2021 Compared to Six months ended July 3, 2020

Net sales increased for our Medical Technology segment in the six months ended July 2, 2021 compared with the prior year period due to a recovery in sales volumes from the decline related to COVID-19 during the six months ended July 3, 2020, as well as continued expansion in the reconstructive product group from key products launched in 2020, acquisition-related sales growth of \$36.9 million and a favorable foreign currency translation effect of \$12.4 million during the current year period. While sales volumes early in the first quarter of 2021 were negatively impacted by certain jurisdictions putting further COVID-19-related restrictions in place in response to the surge in COVID-19 cases late in 2020, sales volumes have since normalized. Gross profit and Gross profit margins increased during the six months ended July 2, 2021 compared to the prior year period due to improved sales volumes and acquisition-related growth, partially offset by increased supply chain costs. Selling, general and administrative expense also increased primarily due to the cessation of temporary employee cost reductions implemented during the second quarter of 2020 and higher sales commissions in the current year period, as well as costs associated with acquisitions and the related integration costs from the newly acquired businesses during the six months ended July 2, 2021. Segment operating income, Adjusted EBITA, and related margins all increased as a result of the aforementioned factors. Restructuring and other related charges decreased by \$10.3 million due to completing certain projects.

Liquidity and Capital Resources

Overview

We finance our long-term capital and working capital requirements through a combination of cash flows from operating activities, various borrowings and the issuances of equity. We expect that our primary ongoing requirements for cash will be for working capital, funding of acquisitions, capital expenditures, restructuring, asbestos-related cash outflows, and debt service and required amortization of principal. We believe we could raise additional funds in the form of debt or equity if it was determined to be appropriate for strategic acquisitions or other corporate purposes.

Equity Capital

On March 19, 2021, we completed the underwritten public offering of 16.1 million shares of our Common stock at a price to the public of \$46.00 per share, resulting in net proceeds of \$711.3 million, after deducting offering expenses and underwriters' discount and commissions. We used these proceeds to pay down certain of our senior notes, as discussed further below.

In 2018, our Board of Directors authorized the repurchase of our Common stock from time-to-time on the open market or in privately negotiated transactions. No stock repurchases have been made under this plan since the third quarter of 2018. As of July 2, 2021, the remaining stock repurchase authorization provided by our Board of Directors was \$100.0 million. The timing, amount, and method of shares repurchased is determined by management based on its evaluation of market conditions and other factors. There is no term associated with the remaining repurchase authorization.

Term Loan and Revolving Credit Facility

Our credit agreement (the "Credit Facility") by and among the Company, as the borrower, certain U.S. subsidiaries of the Company, as guarantors, each of the lenders party thereto, JPMorgan Chase Bank, N.A., as administrative agent, Citizens Bank, N.A., as syndication agent, and the co-documentation agents named therein consists of a \$975 million revolving credit facility (the "Revolver") and a Term A-1 loan in an initial aggregate principal amount of \$825 million, each with a maturity date of December 6, 2024. The Revolver contains a \$50 million swing line loan sub-facility. Refer to Note 10, "Debt" in the accompanying Notes to the Condensed Consolidated Financial Statements for more information.

As of July 2, 2021, we are in compliance with the covenants under the Credit Facility. As of July 2, 2021, the weighted-average interest rate of borrowings under the Credit Facility was 1.84%, excluding accretion of original issue discount and deferred financing fees, and there was \$890 million available on the Revolver.

Euro Senior Notes

Our senior unsecured notes with an aggregate principal amount of €350 million (the "Euro Notes") are due in April 2025, have an interest rate of 3.25%, and are guaranteed by certain of our domestic subsidiaries (the "Guarantees"). The Euro Notes and the Guarantees have not been, and will not be, registered under the Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any other jurisdiction.

TEU Amortizing Notes

Our TEU amortizing notes with an initial principal amount of \$15.6099 per unit, bear interest at a rate of 6.50% per annum, and have equal quarterly cash installments of \$1.4375 per TEU amortizing note with a final installment payment date of January 15, 2022. The quarterly cash installment constitutes a payment of interest and a partial repayment of principal. We paid \$12.3 million and \$11.5 million of principal on the TEU amortizing notes in the six months ended July 2, 2021 and July 3, 2020, respectively. The TEU amortizing notes are the direct, unsecured and unsubordinated obligations of the Company and rank equally with all of the existing and future other unsecured and unsubordinated indebtedness of the Company. Refer to Note 10, "Debt" in the accompanying Notes to Condensed Consolidated Financial Statements for more information.

We had senior notes with an aggregate principal amount of \$600 million (the “2024 Notes”), which were due on February 15, 2024 and had an interest rate of 6.0%. We have senior notes with an initial aggregate principal amount of \$400 million (the “2026 Notes”), which are due on February 15, 2026 and have an interest rate of 6.375%. The 2026 Notes are guaranteed by certain of our domestic subsidiaries. We redeemed all of the outstanding 2024 Notes and \$100 million of the outstanding principal amount of our 2026 Notes on April 24, 2021. Refer to Note 10, “Debt”, in the accompanying Notes to Condensed Consolidated Financial Statements for more information.

Other Indebtedness

In addition, we are party to various bilateral credit facilities with a borrowing capacity of \$192.6 million. As of July 2, 2021, there were no outstanding borrowings under these facilities.

We are also party to letter of credit facilities with an aggregate capacity of \$339.8 million. Total letters of credit of \$70.1 million were outstanding as of July 2, 2021.

We believe that our sources of liquidity are adequate to fund our operations for the next twelve months.

Cash Flows

As of July 2, 2021, we had \$62.3 million of Cash and cash equivalents, a decrease of \$38.8 million from the balance as of December 31, 2020 of \$101.1 million, which included \$4.0 million of Restricted cash. The following table summarizes the change in Cash and cash equivalents during the periods indicated:

	Six Months Ended	
	July 2, 2021	July 3, 2020
	(Dollars in millions)	
Net cash provided by operating activities	\$ 162.8	\$ 93.2
Purchases of property, plant and equipment	(44.6)	(50.4)
Proceeds from sale of property, plant and equipment	3.2	5.0
Acquisitions, net of cash received, and investments	(230.7)	(7.5)
Net cash used in investing activities	(272.1)	(53.0)
Proceeds (repayments) from borrowings, net	(627.7)	(63.2)
Proceeds from issuance of common stock, net	730.0	2.3
Payment of debt extinguishment costs	(24.4)	—
Other	(6.2)	(16.4)
Net cash provided by (used in) financing activities	71.7	(77.4)
Effect of foreign exchange rates on Cash and cash equivalents	(1.1)	(6.1)
Decrease in Cash and cash equivalents	\$ (38.8)	\$ (43.2)

Cash flows from operating activities can fluctuate significantly from period to period due to changes in working capital and the timing of payments for items such as pension funding, asbestos-related costs and restructuring program funding. Changes in significant operating cash flow items are discussed below.

- During the six months ended July 2, 2021 and July 3, 2020, cash payments of \$10.2 million and \$23.6 million, respectively, were made related to our restructuring initiatives.
- Year-to-date 2021 results include \$47.6 million of outflows from working capital as a result of business growth. Results in the comparable prior year period provided cash of \$59.8 million due to a decrease in receivables, partially offset by a decrease in accounts payable due to COVID-related declines.

- Year-to-date 2021 net cash provided by operating activities also included a cash inflow from a \$36.0 million U.S. federal tax refund received in the first quarter of 2021.
- Cash used in operating activities related to discontinued operations for the six months ended July 2, 2021 was \$4.6 million, primarily due to a settlement related to a disposed business, partially offset by net asbestos inflows. Cash used in operating activities related to discontinued operations for the six months ended July 3, 2020 was \$7.9 million.

Cash flows used in investing activities during the six months ended July 2, 2021 increased due to cash paid for acquisitions and investments in our Medical Technology segment of \$225.7 million, as well as an acquisition outlay in our Fabrication Technology segment of \$5.0 million.

Cash flows provided by financing activities for the six months ended July 2, 2021 included the \$711.3 million net proceeds from the public offering of 16.1 million shares of Colfax Common stock on March 19, 2021. The net proceeds were used in the \$600 million full redemption of our 2024 Notes and the \$100 million partial redemption of our 2026 Notes. Cash flows from financing activities reflects a net borrowing on our Revolver in 2021 and a net repayment on our Revolver in 2020.

Our Cash and cash equivalents as of July 2, 2021 include \$50.6 million held in jurisdictions outside the U.S., an increase of \$7.4 million in the second quarter of 2021. Cash repatriation of non-U.S. cash into the U.S. may be subject to taxes, other local statutory restrictions and minority owner distributions.

Critical Accounting Policies

The methods, estimates and judgments that we use in applying our critical accounting policies have a significant impact on our results of operations and financial position. We evaluate our estimates and judgments on an ongoing basis. Our estimates are based upon our historical experience, our evaluation of business and macroeconomic trends and information from other outside sources, as appropriate. Our experience and assumptions form the basis for our judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may vary from what our management anticipates, and different assumptions or estimates about the future could have a material impact on our results of operations and financial position.

There have been no other significant additions or changes to the methods, estimates and judgments included in “Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations-Critical Accounting Policies” in our 2020 Form 10-K.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to market risk from changes in short-term interest rates, foreign currency exchange rates and commodity prices that could impact our results of operations and financial condition. We address our exposure to these risks through our normal operating and financing activities. We do not enter into derivative contracts for trading purposes.

Interest Rate Risk

We are subject to exposure from changes in short-term interest rates related to interest payments on our borrowing arrangements. A significant amount of our borrowings as of July 2, 2021 are variable-rate facilities based on LIBOR or EURIBOR. In order to mitigate our interest rate risk, we may enter into interest rate swap or collar agreements. A hypothetical increase in interest rates of 1% during the three and six months ended July 2, 2021 would have increased Interest expense for our variable rate-based debt by approximately \$2.3 million and \$4.3 million, respectively.

Exchange Rate Risk

We have manufacturing sites throughout the world and sell our products globally. As a result, we are exposed to movements in the exchange rates of various currencies against the U.S. dollar and against the currencies of other countries in which we manufacture and sell products and services. During the three and six months ended July 2, 2021, approximately 59% and 60% of our sales, respectively, were derived from operations outside the U.S. We have significant manufacturing operations in European countries that are not part of the Eurozone. Sales are more highly weighted toward the Euro and U.S. dollar. We also have significant contractual obligations in U.S. dollars that are met with cash flows in other currencies as well.

as U.S. dollars. To better match revenue and expense, as well as cash needs from contractual liabilities, we regularly enter into currency swaps and forward contracts.

We also face exchange rate risk from our investments in subsidiaries owned and operated in foreign countries. Euro denominated borrowings under the Euro Senior Notes provide a natural hedge to a portion of our European net asset position. The effect of a change in currency exchange rates on our net investment in international subsidiaries, net of the translation effect of our Euro denominated borrowings, is reflected in the Accumulated other comprehensive loss component of Equity. A 10% depreciation in major currencies relative to the U.S. dollar as of July 2, 2021 (net of the translation effect of our Euro denominated borrowings) would result in a reduction in Equity of approximately \$169 million.

We also face exchange rate risk from intercompany transactions between affiliates. Although we use the U.S. dollar as our functional currency for reporting purposes, we have manufacturing sites throughout the world, and a substantial portion of our costs are incurred and sales are generated in foreign currencies. Costs incurred and sales recorded by subsidiaries operating outside of the U.S. are translated into U.S. dollars using exchange rates effective during the respective period. As a result, we are exposed to movements in the exchange rates of various currencies against the U.S. dollar. Similarly, tax costs may increase or decrease as local currencies strengthen or weaken against the U.S. dollar.

Commodity Price Risk

We are exposed to changes in the prices of raw materials used in our production processes. In order to manage commodity price risk, we periodically enter into fixed price contracts directly with suppliers.

See Note 12, "Financial Instruments and Fair Value Measurements" in our Notes to Condensed Consolidated Financial Statements included in this Form 10-Q for additional information regarding our derivative instruments.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we have evaluated the effectiveness of our disclosure controls and procedures as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), as of July 2, 2021. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective in providing reasonable assurance that the information required to be disclosed in this report on Form 10-Q has been recorded, processed, summarized and reported as of the end of the period covered by this report on Form 10-Q.

Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in reports we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting (as defined in Rule 13a-15(f)) identified in connection with the evaluation required by Rule 13a-15(d) of the Exchange Act that occurred during the period covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings

Discussion of legal proceedings is incorporated by reference to Note 13, "Commitments and Contingencies," in the Notes to Condensed Consolidated Financial Statements included in Part I. Item 1. "Financial Statements" of this Form 10-Q.

Item 1A. Risk Factors

An investment in our common stock involves a high degree of risk. In addition to risk factors included in "Part I. Item 1A. Risk Factors" in our 2020 Form 10-K, we face the following risks:

Risks Relating to the Separation

The separation of our fabrication technology and medical technology business into two, differentiated, independent publicly traded companies may not be completed on the currently contemplated timeline, or at all, and may not achieve the intended benefits.

In March 2021, we announced our intention to separate our fabrication technology and medical technology business into two, differentiated, independent publicly traded companies (the "Separation"). We are targeting completion of the Separation in the first quarter of 2022. Completion of the Separation is subject to, among other things, completion of financing and other transactions on satisfactory terms, other steps necessary to qualify the Separation as a generally tax-free transaction, receipt of other regulatory approvals, obtaining final approvals from our board of directors and market conditions. The Separation is complex in nature, and unanticipated developments or changes, including changes in the law, macroeconomic environment and competitive conditions of our markets, the need both to receive regulatory approvals or clearances and to satisfy the requirements to effectuate a generally tax-free transaction, the uncertainty of the financial markets and challenges in executing the Separation, could delay or prevent the completion of the Separation or cause the Separation to occur on terms or conditions that are different or less favorable than expected.

Whether or not we complete the Separation, our ongoing businesses may face material challenges in connection with the Separation, including, but not limited to:

- the diversion of our management's attention from operating and growing our business as a result of the significant amount of time and effort required to execute the Separation;
- foreseen and unforeseen costs and expenses that will be incurred in connection with the Separation, including accounting, tax, legal and other professional services costs, and potential prepayment charges and write-offs of deferred costs related to establishing new capital structures;
- retaining existing business and operational relationships, including with customers, suppliers and employees, as well as cultivating new business relationships; and
- potential negative reactions from the financial markets if we fail to complete the Separation in its currently intended form, within the anticipated time frame or at all.

Additionally, volatility in the world financial markets could increase borrowing costs or affect our ability to access the capital markets. Our ability to issue debt or enter into other financing arrangements on acceptable terms could be adversely affected if there is a material decline in the demand for our products or in the solvency of our customers or suppliers or if there are other significantly unfavorable changes in economic conditions. These conditions may adversely affect our anticipated timeline to complete the Separation and the expected benefits of the Separation, including by increasing the time and expense involved in the Separation. Other challenges associated with effectively executing the Separation include attracting, retaining and motivating key management and employees during the pendency of the Separation and following its completion, addressing any disruptions to our supply chain, manufacturing, sales and distribution, and other operations resulting from separating our fabrication and specialty medical technology business into two, differentiated, independent publicly traded companies. Any of these factors could have a material adverse effect on our business, financial condition, results of operations, cash flows and/or the price of our common stock. Furthermore, if the Separation is completed, we cannot provide assurance that

the Separation will achieve the full strategic and financial benefits expected to result from the Separation, nor can we provide assurance that each independent company will be successful in meeting its objectives.

If the Separation occurs, our financial and operational profile will change, and we will be a smaller, less diversified company than we are today.

If the Separation occurs, it will result in two smaller, less diversified companies, each with a more concentrated area of focus. As a result, each company may be more vulnerable to changing market conditions and competitive pressures, which could have a material adverse effect on our business, financial condition and results of operations. The diversification of revenues, costs and cash flows will diminish as a result of the Separation, such that each company's results of operations, cash flows, working capital, effective tax rate and financing requirements may be subject to increased volatility, and each company's ability to fund capital expenditures, investments and service our debt may be diminished. There can be no assurance that the combined value of the common stock of the two independent publicly traded companies following the completion of the Separation will be equal to or greater than what the value of our common stock would have been had the Separation not occurred.

If the Separation and/or certain related transactions do not qualify as transactions that are generally tax-free for U.S. federal income tax purposes, we and our stockholders could be subject to significant tax liabilities.

Notwithstanding that we intend to structure the Separation to generally be a tax-free transaction, the U.S. Internal Revenue Service (the "IRS") could determine that the Separation and/or certain related transactions should be treated as taxable transactions for U.S. federal income tax purposes. Accordingly, there can be no assurance that the IRS will not assert that the Separation and/or certain related transactions do not qualify for tax-free treatment for U.S. federal income tax purposes or that a court would not sustain such a challenge. In the event the IRS were to prevail with such challenge, we and our stockholders could be subject to significant U.S. federal income tax liability.

If the Separation, together with certain related transactions, were to fail to qualify as a transaction that is generally tax-free for U.S. federal income tax purposes under Sections 355 and 368(a)(1)(D) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), in general, for U.S. federal income tax purposes, we would recognize taxable gain as if we had sold the common stock of the separated entity in a taxable sale for its fair market value (unless we and the separated entity jointly make an election under Section 336(e) of the Code with respect to the Separation, in which case, in general, (a) we would recognize taxable gain as if the separated entity had sold all of its assets in a taxable sale in exchange for an amount equal to the fair market value of its common stock and the assumption of all its liabilities and (b) the separated entity would obtain a related step-up in the basis of its assets), and our stockholders who receive shares of common stock of the separated entity in the Separation would be subject to tax as if they had received a taxable distribution equal to the fair market value of such shares.

Item 5. Other Information

The information set forth below is included herein for the purpose of providing the disclosure required under "Item 3.02 - Unregistered Sales of Equity Securities." of Form 8-K.

On June 7, 2021, we entered into a definitive agreement to acquire Mathys AG Bettlach, a Swiss company that develops and distributes innovative products for artificial joint replacement, synthetic bone graft solutions, and sports medicine. On July 26, 2021, we provided the sellers with notice of our election to exercise our right under the acquisition agreement to fund the purchase price in shares of our common stock. Total acquisition consideration of approximately \$285 million is expected to be financed with our common stock, with the aggregate number of shares to be determined based on, among other things, the share price of our common stock on the New York Stock Exchange on the closing date. We intend to issue the consideration shares at closing, which is expected to occur on July 28, 2021 subsequent to the filing of this Form 10-Q, subject to the satisfaction of closing conditions, in reliance on the exemption from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, on the basis that it did not involve a public offering.

The parties hereto agree as follows:

ARTICLE I

Definitions

SECTION 1.01. Defined Terms. As used in this Agreement, the following terms have the meanings specified below:

“ABR” when used in reference to any Loan or Borrowing, refers to such Loan, or the Loans comprising such Borrowing, bearing interest at a rate determined by reference to the Alternate Base Rate.

“Additional Commitment Lender” has the meaning assigned to it in Section 2.23(d).

“Additional Guarantor” has the meaning assigned to it in Section 10.05(b).

“Additional Lender” has the meaning assigned to such term in Section 2.20(c).

“Adjusted LIBO Rate” means, with respect to any Eurocurrency Borrowing for any Interest Period, an interest rate per annum equal to (a) the LIBO Rate for such Interest Period multiplied by (b) the Statutory Reserve Rate.

“Administrative Agent” means JPMorgan Chase Bank, N.A. (including its branches and affiliates), in its capacity as administrative agent for the Lenders hereunder.

“Affiliate” means, as to any Person, any other Person that, directly or indirectly, controls, is controlled by or is under common control with such Person or is a director or officer of such Person. For purposes of this definition, the term “control” (including the terms “controlling,” “controlled by” and “under common control with”) of a Person means the possession, direct or indirect, of the power to vote 10% or more of the Voting Interests of such Person or to direct or cause the direction of the management and policies of such Person, whether through the ownership of Voting Interests, by contract or otherwise.

“Agreed Currencies” means (i) Dollars, (ii) euro, (iii) Pounds Sterling and (iv) any other currency (x) that is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars, (y) for which a LIBO Screen Rate is available in the Administrative Agent’s determination and (z) that is agreed to by the Administrative Agent and each of the Revolving Lenders.

“Agreement” has the meaning assigned to such term in the introductory paragraph.

“Agreement Value” means, for each Hedge Agreement, on any date of determination, an amount determined by the Administrative Agent equal to the mark-to-market value of such Hedge Agreement, which will be the unrealized loss on such Hedge Agreement to the Loan Party or Subsidiary of a Loan Party party to such Hedge Agreement determined by the Administrative Agent as the amount, if any, by which (a) the present value of the future cash flows (determined in accordance with the Master Agreement (Multicurrency Cross Border) published by the International Swap and Derivatives Association, Inc. with respect to such Hedge Agreement) to be paid by such Loan Party or Subsidiary exceeds (b) the present value of the future cash flows (as so determined) to be received by such Loan Party or Subsidiary pursuant to such Hedge Agreement.

“Aggregate Revolving Commitment” means the aggregate of the Revolving Commitments of all of the Revolving Lenders, as reduced or increased from time to time pursuant to the terms and conditions hereof.

Any change in the Alternate Base Rate due to a change in the Prime Rate, the NYFRB Rate or the Adjusted LIBO Rate shall be effective from and including the effective date of such change in the Prime Rate, the NYFRB Rate or the Adjusted LIBO Rate, respectively. If the Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 2.14 (for the avoidance of doubt, only until any amendment has become effective pursuant to Section 2.14(c)), then the Alternate Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. For the avoidance of doubt, if the Alternate Base Rate as determined pursuant to the foregoing would be less than 1.00%, such rate shall be deemed to be 1.00% for purposes of this Agreement.

“Applicable Party” has the meaning assigned to it in Section 8.03(c).

“Applicable Percentage” means, with respect to any Lender, (a) with respect to Revolving Loans or Swingline Loans, the percentage equal to a fraction the numerator of which is such Lender’s Revolving Commitment and the denominator of which is the aggregate Revolving Commitments of all Revolving Lenders (if the Revolving Commitments have terminated or expired, the Applicable Percentages shall be determined based upon the Revolving Commitments most recently in effect, giving effect to any assignments) and (b) with respect to the Term A-1 Loans, a percentage equal to a fraction the numerator of which is such Lender’s outstanding principal amount of the Term A-1 Loans and the denominator of which is the aggregate outstanding principal amount of the Term A-1 Loans of all Term A-1 Lenders; provided that in the case of each of the foregoing clauses (a) and (b), in the case of Section 2.22 when a Defaulting Lender shall exist, any such Defaulting Lender’s Revolving Commitment and/or outstanding Term A-1 Loans shall be disregarded in the calculation.

“Applicable Pledge Percentage” means (a) in the case of a pledge by the Borrower or any Loan Party of its voting Equity Interests in a First Tier Foreign Subsidiary or a CFC Holding Company, 65%, and (b) in all other cases, 100%.

<u>Pricing Level</u>	<u>Total Leverage Ratio:</u>	<u>Applicable Rating S&P/Moody’s</u>	<u>Eurocurrency Spread</u>	<u>ABR Spread</u>	<u>Commitment Fee Rate</u>
1	≤ 2.50 to 1.00	BBB-/Baa3 or better	1.25%	0.25%	0.15%
2	> 2.50 to 1.00 but ≤ 3.75 to 1.00	BB+/Ba1	1.50%	0.50%	0.25%
3	> 3.75 to 1.00 but ≤ 4.00 to 1.00	BB/Ba2	1.75%	0.75%	0.35%
4	> 4.00 to 1.00 but ≤ 4.50 to 1.00	BB-/Ba3 or lower	2.00%	1.00%	0.45%
5	> 4.50 to 1.00		2.50%	1.50%	0.50%

For purposes of this definition, until the date on which the Administrative Agent receives a Compliance Certificate pursuant to Section 5.12(c) for the Borrower’s first fiscal quarter ending after the Amendment No. 3 Effective Date, the Applicable Rate will be based on Pricing Level 2 in respect of the table above. Thereafter, the Applicable Rate will be based on the Pricing Level, as determined by reference to either (x) the Total Leverage Ratio (as set forth in the most recent Compliance Certificate received by the Administrative Agent pursuant to Section 5.12(b) or 5.12(c)) or (y) a public corporate family rating from S&P or Moody’s (the “Applicable Rating”, for the purposes of this definition, being the higher of the two corporate family ratings, in the case of a differential of not more than one level

between such ratings, or the rating one level below the higher of such two ratings, in the case of a differential of two levels or more). If the differential between the Pricing Levels by reference to the Total Leverage Ratio and Applicable Rating is not more than one level, the lower Pricing Level shall apply, and if the differential between the Pricing Levels by reference to the Total Leverage Ratio and Applicable Rating is two or more levels, the Pricing Level which is one level higher than the Pricing Level which would result in the lower Applicable Rate shall apply provided that if the Total Leverage Ratio is greater than 4.50 to 1.00, the Applicable Rate will be based on Pricing Level 5 regardless of the Applicable Rating. If S&P and/or Moody's shall not have a public corporate family rating in effect for the Borrower, the Pricing Level shall be determined solely by reference to the Total Leverage Ratio.

Any increase or decrease in the Applicable Rate resulting from (i) a change in the Total Leverage Ratio shall become effective as of the first Business Day immediately following the date a Compliance Certificate is delivered pursuant to Section 5.12(b) or 5.12(c), as applicable, or (ii) a publicly announced change in the Applicable Ratings Level shall become effective on the date of the public announcement thereof through the date immediately preceding the effective date of the next such change; provided, however, that (i) if a Compliance Certificate is not delivered when due in accordance with such Section 5.12, then Pricing Level 5 shall apply as of the first Business Day after the date on which such Compliance Certificate was required to have been delivered and shall remain in effect until the date on which such Compliance Certificate is delivered and (ii) Pricing Level 5 shall apply at all times during which an Event of Default exists.

“Approved Electronic Platform” has the meaning assigned to such term in Section 8.03(a).

“Asset Sale Prepayment Period” has the meaning assigned to such term in Section 2.11(c).

“Assignment and Assumption” means an assignment and assumption agreement entered into by a Lender and an assignee (with the consent of any party whose consent is required by Section 9.04), and accepted by the Administrative Agent, in the form of Exhibit A or any other form (including electronic records generated by the use of an electronic platform) approved by the Administrative Agent.

“Available Revolving Commitment” means, at any time with respect to any Lender, the Revolving Commitment of such Lender then in effect minus the Revolving Credit Exposure of such Lender at such time; it being understood and agreed that any Lender's Swingline Exposure shall not be deemed to be a component of the Revolving Credit Exposure for purposes of calculating the commitment fee under Section 2.12(a).

“Bail-In Action” means the exercise of any Write-Down and Conversion Powers by the applicable Resolution Authority in respect of any liability of an Affected Financial Institution.

“Bail-In Legislation” means, (a) with respect to any EEA Member Country implementing Article 55 of Directive 2014/59/EU of the European Parliament and of the Council of the European Union, the implementing law, regulation, rule or requirement for such EEA Member Country from time to time which is described in the EU Bail-In Legislation Schedule and (b) with respect to the United Kingdom, Part I of the United Kingdom Banking Act 2009 (as amended from time to time) and any other law, regulation or rule applicable in the United Kingdom relating to the resolution of unsound or failing banks, investment firms or other financial institutions or their affiliates (other than through liquidation, administration or other insolvency proceedings).

SECTION 1.04. Accounting Terms; GAAP; Pro Forma Calculations. (a) Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Debt or other liabilities of the Borrower or any Subsidiary at "fair value", as defined therein and (ii) any treatment of Debt in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Debt in a reduced or bifurcated manner as described therein, and such Debt shall at all times be valued at the full stated principal amount thereof. Notwithstanding anything to the contrary contained in this Section 1.04(a), in the event of an accounting change requiring all leases to be capitalized, only those leases (assuming for purposes hereof that such leases were in existence on the date hereof) that would constitute capital leases in conformity with GAAP on the date hereof shall be considered capital leases, and all calculations and deliverables under this Agreement or any other Loan Document shall be made or delivered, as applicable, in accordance therewith. For the avoidance of doubt, and without limitation of the foregoing, Permitted Convertible Indebtedness shall at all times be valued at the full stated principal amount thereof and shall not include any reduction or appreciation in value of the shares deliverable upon conversion thereof.

(b) All pro forma computations required to be made hereunder giving effect to any acquisition or disposition, or issuance, incurrence or assumption of Debt, or other transaction shall in each

case be calculated giving pro forma effect thereto (and, in the case of any pro forma computation made hereunder to determine whether such acquisition or disposition, or issuance, incurrence or assumption of Debt, or other transaction is permitted to be consummated hereunder, to any other such transaction consummated since the first day of the most recent Measurement Period and on or prior to the date of such computation) as if such acquisition or disposition, or issuance, incurrence or assumption of Debt, or other transaction had occurred on the first day of the most recent Measurement Period, and, to the extent applicable, to the historical earnings and cash flows associated with the assets acquired or disposed of (but without giving effect to any synergies or cost savings) and any related incurrence or reduction of Debt, all in accordance with Article 11 of Regulation S-X under the Securities Act. If any Debt bears a floating rate of interest and is being given pro forma effect, the interest on such Debt shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Swap Agreement applicable to such Debt).

SECTION 1.05. Interest Rates; LIBOR Notification. The interest rate on Eurocurrency Loans is determined by reference to the LIBO Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event or an Early Opt-In Election, Section 2.14(c) provides a mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.14(d), of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(c), whether upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

The Credits

SECTION 2.01. Commitments.

(a) Subject to the terms and conditions set forth herein, each Revolving Lender (severally and not jointly) agrees to make Revolving Loans to the Borrower in Agreed Currencies from time to time during the Revolving Credit Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding

pursuant to Section 2.05(c)) in, subject to Sections 2.04 and 2.11(b), (i) the Dollar Amount of such Lender's Revolving Credit Exposure exceeding such Lender's Revolving Commitment, (ii) the Dollar Amount of the Total Revolving Credit Exposure exceeding the aggregate Revolving Commitments or (iii) the Dollar Amount of the total outstanding Revolving Loans, denominated in Foreign Currencies, exceeding the Foreign Currency Sublimit. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

(b) Subject to the terms and conditions set forth herein, each Term A-1 Lender with a Term A-1 Loan Commitment (severally and not jointly) agrees to make a Term A-1 Loan to the Borrower in Dollars in a single drawing during the Term A-1 Loan Availability Period, in an amount equal to such Lender's Term A-1 Loan Commitment on the Trigger Date by making immediately available funds available to the Administrative Agent's designated account, not later than the time specified by the Administrative Agent.

(c) Subject to the terms and conditions set forth herein, each Term A-2 Lender with a Term A-2 Loan Commitment (severally and not jointly) agrees to make a Term A-2 Loan to the Borrower in Dollars in a single drawing during the Term A-2 Loan Availability Period, in an amount equal to such Lender's Term A-2 Loan Commitment on the Trigger Date by making immediately available funds available to the Administrative Agent's designated account, not later than the time specified by the Administrative Agent.

(d) Amounts repaid or prepaid in respect of any Term Loans may not be reborrowed.

SECTION 2.02. Loans and Borrowings (a). (a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05. The Term Loans shall amortize as set forth in Section 2.10.

(b) Subject to Section 2.14, (i) each Revolving Borrowing, each Term A-1 Loan Borrowing and each Term A-2 Loan Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith; provided that each ABR Loan shall only be made in Dollars and (ii) each Swingline Loan shall be (x) an ABR Loan in the case of Swingline Loan denominated in Dollars or (y) a Eurocurrency Swingline Loan in the case of a Swingline Loan denominated in any Foreign Currency. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 (or, if such Borrowing is denominated in a Foreign Currency, 500,000 units of such currency) and not less than \$1,000,000 (or, if such Borrowing is denominated in a Foreign Currency 1,000,000 units of such currency). At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$500,000; provided that an

ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the aggregate Revolving Commitments. Each Swingline Loan shall be in an amount that is an integral multiple of \$100,000 (or, if such Swingline Loan is denominated in a Foreign Currency, 100,000 units of such currency) and not less than \$100,000 (or, if such Swingline Loan is denominated in a Foreign Currency, 100,000 units of such currency). Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of five (5) Eurocurrency Borrowings outstanding in respect of Revolving Borrowings and a total of five (5) Eurocurrency Borrowings outstanding in respect of Term Loan Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date.

SECTION 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request (a) by irrevocable written notice (via a written Borrowing Request signed by the Borrower, promptly followed by telephonic confirmation of such request) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three (3) Business Days before the date of the proposed Borrowing or (b) by irrevocable written notice (via a written Borrowing Request signed by the Borrower) in the case of an ABR Borrowing, not later than 12:00 noon, New York City time on the date of the proposed Borrowing. Each such Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) the aggregate principal amount of the requested Borrowing;

(ii) the date of such Borrowing, which shall be a Business Day;

(iii) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing and whether such Borrowing is a Revolving Borrowing, a Term A-1 Loan Borrowing or a Term A-2 Loan Borrowing;

(iv) in the case of a Eurocurrency Borrowing, the Agreed Currency and initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

If no election as to the Type of Borrowing is specified, then, in the case of a Borrowing denominated in Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. Determination of Dollar Amounts. The Administrative Agent will determine the Dollar Amount of:

(a) any Loan denominated in a Foreign Currency, on each of the following: (i) the date of the Borrowing of such Loan and (ii) each date of a conversation or continuation of such Loan pursuant to the terms of this Agreement, and

(b) any Borrowing, on any additional date as the Administrative Agent may determine at any time when an Event of Default exists.

Each day upon or as of which the Administrative Agent determines Dollar Amounts as described in the preceding clauses (a) and (b) is herein described as a “Computation Date” with respect to each Borrowing for which a Dollar Amount is determined on or as of such day.

SECTION 2.05. Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender may agree, but shall have no obligation, to make Swingline Loans in Agreed Currencies to the Borrower from time to time during the Revolving Credit Availability Period, in an aggregate principal Dollar Amount at any time outstanding that will not, subject to fluctuations in currency exchange rates and Section 2.11(b), result in (i) subject to Section 2.04, the Dollar Amount of the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Sublimit, (ii) subject to Section 2.04, the Swingline Lender’s Revolving Credit Exposure exceeding its Revolving Commitment or (iii) the Dollar Amount of the Total Revolving Credit Exposure exceeding the aggregate Revolving Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by irrevocable written notice (via a written Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower), not later than (x) in the case of a Swingline Loan denominated in Dollars, 3:00 p.m. and (y) in the case of a Swingline Loan denominated in any other Agreed Currency, 10:00 a.m., in each case, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), applicable currency, Interest Period (in the case of a Eurocurrency Swingline Loan), Type and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall (subject to the Swingline Lender’s discretion to make Swingline Loans as set forth in Section 2.05(a)) make each Swingline Loan available to the Borrower by means of a credit to an account of the Borrower with the Administrative Agent designated for such purpose by 5:00 p.m., Local Time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent require the Revolving Lenders to acquire participations in all or a portion of the Swingline Loans outstanding in the applicable Agreed Currency of such Swingline Loan or Loans. Such notice shall specify the aggregate amount and Agreed Currency of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender’s Applicable Percentage of such Swingline Loan or Loans and the applicable Agreed Currency of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by (x) in the case of a Swingline Loan denominated in Dollars, 3:00 p.m. and (y) in the case of a Swingline Loan denominated in any other Agreed Currency, 10:00 a.m., in each case, New York City time, on a Business Day, no later than 5:00 p.m., Local Time, on such Business Day and if received after (x) in the case of a Swingline Loan denominated in Dollars, 3:00 p.m. and (y) in the case of a Swingline Loan denominated in any other Agreed Currency, 10:00 a.m., in each case, Local Time, on a Business Day, no later than 10:00 a.m., Local Time, on the immediately succeeding Business Day), to pay in the applicable Agreed Currency to the Administrative Agent, for the account of the Swingline Lender, such Lender’s Applicable Percentage

of such Swingline Loan or Loans. Notwithstanding the foregoing, upon the occurrence of (i) the Revolving Credit Maturity Date, (ii) any Event of Default described in Section 7.01(f), (iii) the date on which the Loans are accelerated, or (iv) the termination of the Revolving Commitments, each Revolving Lender shall be deemed to absolutely and unconditionally acquire participations in all of the Swingline Loans outstanding at such time in an amount equal to its Applicable Percentage of such Swingline Loans in each case without notice or any further action from the Swingline Lender, any Lender or the Administrative Agent (such occurrence an “Automatic Participation Event”). Upon the occurrence of an Automatic Participation Event, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender’s Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by (x) in the case of a Swingline Loan denominated in Dollars, 3:00 p.m. and (y) in the case of a Swingline Loan denominated in any other Agreed Currency, 10:00 a.m., in each case, Local Time, on a Business Day, no later than 5:00 p.m., Local Time, on such Business Day and if received after (x) in the case of a Swingline Loan denominated in Dollars, 3:00 p.m. and (y) in the case of a Swingline Loan denominated in any other Agreed Currency, 10:00 a.m., in each case, Local Time, on a Business Day, no later than 10:00 a.m., Local Time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender’s Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any obligation with respect to the payment thereof.

(d) The Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Swingline Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (ii) references herein to the term “Swingline Lender” shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline

Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(e) Subject to the appointment and acceptance of a successor Swingline Lender, the Swingline Lender may resign as a Swingline Lender at any time upon thirty (30) days' prior written notice to the Administrative Agent, the Borrower and the Revolving Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(d) above.

SECTION 2.06. [Intentionally Omitted].

SECTION 2.07. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof solely by wire transfer of immediately available funds (i) in the case of Loans denominated in Dollars, by 1:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders and (ii) in the case of each Loan denominated in a Foreign Currency, by 12:00 noon, Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency and at such Eurocurrency Payment Office for such currency; provided that (i) Term Loans shall be made as provided in Section 2.01(b) and Section 2.01(c) and (ii) Swingline Loans shall be made as provided in Section 2.05. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the funds so received in the aforesaid account of the Administrative Agent to (x) an account of the Borrower maintained with the Administrative Agent in New York City or Chicago and designated by the Borrower in the applicable Borrowing Request, in the case of Loans denominated in Dollars and (y) an account of the Borrower in the relevant jurisdiction and designated by the Borrower in the applicable Borrowing Request, in the case of Loans denominated in a Foreign Currency.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 1:00 p.m., New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency) or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.08. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to

convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election (by irrevocable written notice via an Interest Election Request signed by the Borrower) by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Notwithstanding any contrary provision herein, this Section shall not be construed to permit the Borrower to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Eurocurrency Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments pursuant to which such Borrowing was made.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period and Agreed Currency to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Borrowing denominated in a Foreign Currency in respect of which the Borrower shall have failed to deliver an Interest Election Request prior to the third (3rd) Business Day preceding the end of such Interest Period, such Borrowing shall automatically continue as a Eurocurrency Borrowing in the same Agreed Currency with an Interest Period of one month unless such Eurocurrency Borrowing is or was repaid in accordance with Section 2.11. Notwithstanding any contrary provision hereof, if an Event of Default has

occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in a Foreign Currency shall automatically be continued as a Eurocurrency Borrowing with an Interest Period of one month.

SECTION 2.09. Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Term A-1 Loan Commitments shall terminate on the Term A-1 Loan Commitment Expiration Date, (ii) the Term A-2 Loan Commitments shall terminate on the Term A-2 Loan Commitment Expiration Date and (iii) the Revolving Commitments shall terminate on the Revolving Credit Maturity Date (subject to Section 2.23).

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Dollar Amount of the Total Revolving Credit Exposure would exceed the aggregate Revolving Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

SECTION 2.10. Repayment and Amortization of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan on the Maturity Date in the currency of such Loan and (ii) to the Administrative Agent for the account of the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the tenth (10th) Business Day after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) The Borrower shall repay the outstanding Term A-1 Loans on the following dates in the respective amounts set forth opposite such dates (which amounts shall be reduced as a result of the application of prepayments made in accordance with Section 2.11):

<u>Date</u>	<u>Amount</u>
The last Business Day of each of the first eight fiscal quarters of the Borrower occurring after the Trigger Date.	1.25% of the aggregate principal amount of Term A-1 Loans incurred on the Trigger Date.
The last Business Day of each of the first eight fiscal quarters of the Borrower occurring after the second anniversary of the Trigger Date.	1.875% of the aggregate principal amount of Term A-1 Loans incurred on the Trigger Date.
The last Business Day of each of the first six fiscal quarters of the Borrower occurring after the fourth anniversary of the Trigger Date.	2.50% of the aggregate principal amount of Term A-1 Loans incurred on the Trigger Date.

provided, however, that the final principal repayment installment of the Term A-1 Loans shall be repaid on the Term A-1 Loan Maturity Date and in any event shall be in an amount equal to the aggregate principal amount of all Term A-1 Loans outstanding on such date.

(c) To the extent not previously prepaid, all unpaid Term A-2 Loans shall be paid in full in Dollars by the Borrower on the Term A-2 Loan Maturity Date.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(e) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(f) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the Obligations.

(g) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty (but subject to break funding payments required by Section 2.16), subject to prior notice in accordance with the provisions of this Section 2.11(a). The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by written notice (promptly followed by telephonic confirmation of such request)

of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three (3) Business Days (or such shorter period of time as the Administrative Agent may agree) before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 1:00 pm, New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included in the prepaid Revolving Borrowing, each voluntary prepayment of a Term Loan Borrowing shall be applied ratably to the Term Loans included in the prepaid Term Loan Borrowing in such order of application as directed by the Borrower, and each mandatory prepayment of a Term Loan Borrowing shall be applied in accordance with Section 2.11(c). Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) any break funding payments required by Section 2.16.

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Amount of the Total Revolving Credit Exposure (calculated, with respect to those Borrowings denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Borrowing) exceeds the aggregate Revolving Commitments or (B) the aggregate principal Dollar Amount of the Total Revolving Credit Exposure denominated in Foreign Currencies (the "Foreign Currency Exposure") (so calculated), as of the most recent Computation Date with respect to each such Borrowing, exceeds the Foreign Currency Sublimit or (ii) solely as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Amount of the Total Revolving Credit Exposure (so calculated) exceeds 105% of the aggregate Revolving Commitments or (B) the Foreign Currency Exposure, as of the most recent Computation Date with respect to each such Borrowing, exceeds 105% of the Foreign Currency Sublimit, the Borrower shall in each case immediately repay Revolving Borrowings in an aggregate principal amount sufficient to cause (x) the aggregate Dollar Amount of the Total Revolving Credit Exposure (so calculated) to be less than or equal to the aggregate Revolving Commitments and (y) the Foreign Currency Exposure to be less than or equal to the Foreign Currency Sublimit, as applicable.

(c) During the Asset Sale Prepayment Period, in the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received, prepay the Term Loans in an aggregate amount equal to 100% of such Net Proceeds or, if less, the amount of such Net Proceeds which causes the Total Leverage Ratio calculated on a pro forma basis for the most recent Measurement Period (after giving effect (including pro forma effect) to all mandatory prepayments made pursuant to this Section 2.11(c) since the end of the most recent Measurement Period) not to exceed 3.50 to 1.00; provided that, if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower or its relevant Subsidiaries intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Proceeds, to reinvest in assets used or useful in the business of the Borrower and/or its Subsidiaries, and certifying that no Default has occurred and is continuing, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate; provided

further that to the extent of any such Net Proceeds therefrom that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Borrower or one or more Subsidiaries shall have entered into an agreement with an unaffiliated third party to acquire such assets with such Net Proceeds), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied. All mandatory prepayment amounts pursuant to this Sections 2.11(c) shall be applied, first, to the Term A-2 Loans, second, to installments of the Term A-1 Loans in direct order of maturity for the next four (4) scheduled payments pursuant to Section 2.10(b) and, third, to the remaining scheduled installments of the Term A-1 Loans pursuant to Section 2.10(b) on a pro rata basis. Notwithstanding the foregoing, if the Bridge Facility is funded, none of the Term Loans shall be required to be prepaid pursuant to this Section 2.11(c) to the extent the Net Proceeds of any Prepayment Event are used to repay any amounts outstanding under the Bridge Facility. For purposes of the foregoing, "Asset Sale Prepayment Period" means the period commencing on the Trigger Date and ending on the first subsequent date, if any, on which either of the following conditions is satisfied: (i) the Total Leverage Ratio is less than or equal to 3.50 to 1.00 as of the last day of any Measurement Period occurring after the Trigger Date or (ii) the Total Leverage Ratio calculated on a pro forma basis for the most recent Measurement Period (after giving effect (including pro forma effect) to all mandatory prepayments made pursuant to this Section 2.11(c) since the end of the most recent Measurement Period) shall not exceed 3.50 to 1.00. Notwithstanding the foregoing, on and after the Amendment No. 1 Effective Date, (i) in the event and on each occasion that any Net Proceeds received by or on behalf of the Borrower or any of its Subsidiaries in respect of a Prepayment Event constituting Dispositions of the Specified Sale Process Assets, the Borrower shall, to the extent a prepayment is required pursuant to the foregoing requirements of this Section 2.11(c), within five (5) Business Days after such Net Proceeds are received, prepay the Loans and apply such Net Proceeds as follows: (x) \$500,000,000 of such Net Proceeds shall be applied to the Term A-2 Loans, (y) \$352,000,000 of such Net Proceeds shall be applied to the Term A-1 Loans first, to installments of the Term A-1 Loans in direct order of maturity for the next four (4) scheduled payments pursuant to Section 2.10(b) and, second, to the remaining scheduled installments of the Term A-1 Loans pursuant to Section 2.10(b) on a pro rata basis and (z) the balance of such Net Proceeds shall be applied to outstanding Revolving Borrowings as directed by the Borrower; (ii) in the event and on each occasion that any Net Proceeds received by or on behalf of the Borrower or any of its Subsidiaries in respect of a Prepayment Event constituting Dispositions of the Specified Assets, the Borrower shall, to the extent a prepayment is required pursuant to the foregoing requirements of this Section 2.11(c), within five (5) Business Days after such Net Proceeds are received, prepay the Loans and apply such Net Proceeds as elected by the Borrower to (x) the remaining scheduled installments of the Term A-1 Loans pursuant to Section 2.10(b) on a pro rata basis, or (y) the outstanding Revolving Borrowings in such order of application as directed by the Borrower, or (z) to a combination of the foregoing.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the applicable Commitment Fee Rate (as specified in the definition of "Applicable Rate") on the daily average amount of the Available Revolving Commitment of such Lender during the period from and including the date that is the earlier of (i) 60 days after the Effective Date and (ii) the Trigger Date to but excluding the date on which such Commitment terminates. Commitment fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth (15th) day following such last day and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof; provided that any commitment fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrower agrees to pay to the Administrative Agent, for the account of each Term Lender, a ticking fee at the applicable Commitment Fee Rate (as specified in the definition of "Applicable Rate") on the amount of such Term Lender's Term Loan Commitment, which ticking fee shall accrue during the period from and including the date that is 60 days after the Effective Date to but excluding the date on which such Commitment terminates. Accrued ticking fees, to the extent not previously paid, shall be payable in arrears on April 15, 2019 and on the date on which the Term Loan Commitments terminate, commencing on the first such date to occur after the date hereof.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the applicable Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing (other than any Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) Each Swingline Loan shall bear interest at a rate per annum (i) in the case of a Swingline Loan denominated in Dollars, the Alternate Base Rate plus the Applicable Rate or (ii) in the case of a Swingline Loan denominated in a Foreign Currency, the Eurocurrency Swingline Rate plus the Applicable Rate. The Loans comprising each Eurocurrency Borrowing (other than any Eurocurrency Swingline Borrowing) shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Credit Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest (i) computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) for Borrowings denominated in Pounds Sterling shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall

be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) Interest in respect of Loans denominated in Dollars shall be paid in Dollars, and interest in respect of Loans denominated in a Foreign Currency shall be paid in such Foreign Currency.

SECTION 2.14. Alternate Rate of Interest.

(a) If at the time that the Administrative Agent shall seek to determine the LIBO Screen Rate on the Quotation Day for any Interest Period for a Eurocurrency Borrowing, the LIBO Screen Rate shall not be available for such Interest Period and/or for the applicable currency with respect to such Eurocurrency Borrowing for any reason, and the Administrative Agent shall reasonably determine that it is not possible to determine the Interpolated Rate (which conclusion shall be conclusive and binding absent manifest error), then the Reference Bank Rate shall be the LIBO Rate for such Interest Period for such Eurocurrency Borrowing; provided that if the Reference Bank Rate shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement; provided, further, however, that if less than two Reference Banks shall supply a rate to the Administrative Agent for purposes of determining the LIBO Rate for such Eurocurrency Borrowing, (i) if such Borrowing shall be requested in Dollars, then such Borrowing shall be made as an ABR Borrowing at the Alternate Base Rate and (ii) if such Borrowing shall be requested in any Foreign Currency, the LIBO Rate shall be equal to the rate determined by the Administrative Agent in its reasonable discretion after consultation with the Borrower and consented to in writing by the Required Lenders (the "Alternative Rate"); provided, however, that until such time as the Alternative Rate shall be determined and so consented to by the Required Lenders, Borrowings shall not be available in such Foreign Currency. It is hereby understood and agreed that, notwithstanding anything to the contrary set forth in this Section 2.14(a), if at any time the conditions set forth in Section 2.14(c)(i) or (ii) are in effect, the provisions of this Section 2.14(a) shall no longer be applicable for any purpose of determining any alternative rate of interest under this Agreement and Section 2.14(c) shall instead be applicable for all purposes of determining any alternative rate of interest under this Agreement.

(b) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including because the LIBO Screen Rate is not available or published on a current basis), for the applicable currency and such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for the applicable currency and such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing

in Dollars, such Borrowing shall be made as an ABR Borrowing and (iii) if any Borrowing Request requests a Eurocurrency Borrowing in a Foreign Currency, then the LIBO Rate for such Eurocurrency Borrowing shall be the Alternative Rate; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has not received, by such time, written notice of objection to such proposed amendment from Lenders comprising the Required Lenders; provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of LIBO Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.14.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as an ABR Borrowing and (iii) if any Borrowing Request requests a Eurocurrency Borrowing in a Foreign Currency, then such request shall be ineffective.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment)

against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered as reasonably determined by the Administrative Agent or such Lender (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent or such Lender under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent or such Lender, as applicable, then reasonably determines to be relevant).

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Swingline Loans held by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered as reasonably determined by the Administrative Agent or such Lender (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent or such Lender, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent or such Lender, as applicable, then reasonably determines to be relevant).

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to

claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or 9.02(e), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense arising from such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

SECTION 2.17. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocations of Proceeds; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to (i) in the case of payments denominated in Dollars, 12:00 noon, New York City time and (ii) in the case of payments denominated in a Foreign Currency, 12:00 noon, Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency, in each case on the date when due or the date fixed for any prepayment hereunder, in immediately available funds, without setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Borrowing was made (or where such currency has been converted to euro, in euro) and (ii) to the Administrative Agent at its offices at 10 South Dearborn Street, Chicago, Illinois 60603 or, in the case of a Borrowing denominated in a Foreign Currency, the Administrative Agent's Eurocurrency Payment Office for such currency, except payments to be made directly to the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Borrowing was made (the "Original Currency.") no longer exists or the Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by the Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) At any time that payments are not required to be applied in the manner required by Section 7.03, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) At the election of the Administrative Agent, all payments of principal, interest, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the Borrower pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of the Borrower maintained with the Administrative Agent. The Borrower hereby irrevocably authorizes (i) the Administrative Agent to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Loans (including Swingline Loans) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03 or 2.05, as applicable and (ii) the Administrative Agent to charge any deposit account of the Borrower maintained

with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If, except as expressly provided herein, any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in Swingline Loans and accrued interest thereon than the proportion received by any other similarly situated Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Swingline Loans to any assignee or participant, other than to the Borrower of any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received, prior to any date on which any payment is due to the Administrative Agent for the account of the Lenders pursuant to the terms of this Agreement or any other Loan Document (including any date that is fixed for prepayment by notice from the Borrower to the Administrative Agent pursuant to Section 2.11(b)), notice from the Borrower that the Borrower will not make such payment or prepayment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency).

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the good-faith judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) to the extent such consent would be required pursuant to Section 9.04(b), the Borrower shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the Swingline Lender), which consent shall not unreasonably be withheld, delayed or conditioned, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (a) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (b) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20. Incremental Facilities.

(a) The Borrower may at any time or from time to time after the Trigger Date, by notice to the Administrative Agent, request one or more additional tranches of Term Loans (which may take the form of an increase in the principal amount of any existing tranche of Term Loans) (the “Incremental Term Loans”) or increases in the aggregate amount of Revolving Commitments (each such increase a “Incremental Revolving Commitment”); Incremental Term Loans and Incremental Revolving Commitments are collectively referred to herein as the “Incremental Facilities”); provided that, no Incremental Term Loans may be made and no Incremental Revolving Commitments may become effective unless, (i) subject to, with consent of the Additional Lenders and existing Lenders collectively providing such Incremental Facilities, customary “SunGard” limitations to the extent the proceeds of any Incremental Facilities are being used to finance a Permitted Acquisition or other permitted Investment, on the proposed date of the making of such Incremental Term Loans or the effectiveness of such Incremental Revolving Commitments, as applicable, (A) the conditions set forth in clauses (a) and (b) of Section 4.03 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate on behalf of the Borrower to that effect dated such date and executed by a Financial Officer of the Borrower and (B) the Borrower shall be in compliance (on a pro forma basis, assuming full drawing under the applicable Incremental Facility) with the covenants contained in Section 5.13 and (ii) the

Administrative Agent shall have received (x) such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection with any such transaction and (y) such reaffirmation agreements and/or such amendments to the Collateral Documents (if any) as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Facilities are provided with the benefit of the applicable Loan Documents. Notwithstanding anything to the contrary herein, the aggregate Dollar Amount (calculated as of the date such Debt was incurred, in the case of Incremental Term Loans, or first committed, in the case of Incremental Revolving Commitments) of all Incremental Facilities shall not exceed the sum of (A) \$800,000,000 plus (B) the amount of any voluntary prepayments of the Term Loans and voluntary permanent reductions of the Revolving Commitments effected after the Trigger Date (it being understood that any prepayment of Term Loans with the proceeds of substantially concurrent borrowings of new Loans hereunder or any reduction of Revolving Commitments in connection with a substantially concurrent issuance of new revolving commitments hereunder shall not increase the calculation of the amount under this clause (B)) plus (C) an unlimited additional amount such that, in the case of this clause (C), only, after giving effect (including pro forma effect) thereto (assuming full drawing under such Incremental Facilities), the Total Leverage Ratio calculated on a pro forma basis for the most recent Measurement Period shall not exceed 3.50 to 1.00 (other than to the extent such Incremental Facilities are incurred pursuant to this clause (C), concurrently with the incurrence of Incremental Facilities in reliance on clause (A) above, in which case the Total Leverage Ratio shall be permitted to exceed 3.50 to 1.00 to the extent of such Incremental Facilities incurred in reliance on such clause (A)); provided that, for the avoidance of doubt, Incremental Facilities may be incurred pursuant to this clause (C) prior to utilization of the amount set forth in clause (A) above. Each Incremental Facility shall be in an integral multiple of \$25,000,000 and be in an aggregate principal amount that is not less than \$25,000,000, provided that such amount may be less than the applicable minimum amount if such amount represents all the remaining availability hereunder as set forth above. Each such notice shall specify (A) the date on which the Borrower proposes that the Incremental Revolving Commitments or the Incremental Term Loans, as applicable, shall be effective, which shall be a date not less than ten (10) Business Days (or such shorter period as may be agreed to by the Administrative Agent) after the date on which such notice is delivered to the Administrative Agent and (B) the amount of the Incremental Revolving Commitments or Incremental Term Loans, as applicable, being requested.

(b) Each Incremental Facility shall be secured by a pari passu Lien on the Collateral (and no other property) during the Collateral Period on terms and conditions applicable to the existing Term Loans and existing Revolving Commitments. No Subsidiary shall be a borrower or a guarantor under any Incremental Facility unless such Subsidiary is a Loan Party which shall have previously or substantially concurrently guaranteed or borrowed, as applicable, the Obligations. Each Incremental Revolving Commitment shall be on terms and pursuant to documentation applicable to the existing Revolving Commitments. The Incremental Term Loans (i) if made as an increase in the principal amount of any existing tranche of Term Loans, shall have terms identical to those applicable to such Term Loans, (ii) shall rank pari passu or junior in right of payment with the Revolving Loans, (iii) shall not mature earlier than the Latest Maturity Date (but may have amortization and/or customary prepayments prior to such date), (iv) except as set forth above, shall be treated substantially the same as (and in any event, no more favorably than) the Term Loans and (v) will accrue interest at rates determined by the Borrower and the lenders providing such Incremental Term Loans. For the avoidance of doubt, upon the effectiveness of any Incremental Revolving Commitment, the Revolving Credit Exposure of the Lender holding such Incremental Revolving Commitment, and the Applicable Percentage of all the Revolving Lenders, shall automatically be adjusted to give effect thereto. On the date of effectiveness of any Incremental Revolving Commitments, each Revolving Lender shall assign to each Lender holding such Incremental Revolving Commitment, and each such Lender holding such Incremental Revolving Commitment shall

purchase from each Revolving Lender, at the principal amount thereof (together with accrued interest), such interests in the Revolving Loans and participations in Swingline Loans outstanding on such date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans and participations in Swingline Loans will be held by all the Revolving Lenders ratably in accordance with their Applicable Percentages after giving effect to the effectiveness of such Incremental Revolving Commitment. The Administrative Agent shall notify the Lenders promptly upon receipt by the Administrative Agent of any notice from the Borrower referred to in Section 2.20(a) and of the effectiveness of any Incremental Facility, in each case advising the Lenders of the details thereof and, in the case of effectiveness of any Incremental Revolving Commitments, of the Applicable Percentages of the Revolving Lenders after giving effect thereto and of the assignments required to be made pursuant to this Section 2.20(a).

(c) Incremental Facilities may be provided by any existing Lender (provided that no existing Lender shall have (x) an obligation to provide all or any portion of any Incremental Facility unless it so agrees in writing as provided in this Section 2.20 or (y) the right to provide all or any portion of any Incremental Facility) or by other bank, financial institution or other institutional lender or investor (other than an Ineligible Institution) (any such other bank, financial institution or other institutional lender or investor being called an "Additional Lender"); provided that, the Administrative Agent and the Swingline Lender shall have consented (such consent not to be unreasonably withheld) to such Lender or Additional Lender providing such Incremental Facility, to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments to such Lender or Additional Lender. Commitments in respect of Incremental Facilities shall become Commitments under this Agreement pursuant to an amendment or amendment and restatement (each, an "Incremental Amendment") of this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. The effectiveness of any Incremental Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.03 and such other conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Facilities for any purpose not prohibited by this Agreement.

(d) This Section 2.20 shall supersede any provisions in Section 2.18(d) or Section 9.02 to the contrary.

SECTION 2.21. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from the Borrower hereunder in the currency expressed to be payable herein (the "specified currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent's main New York City office on the Business Day preceding that on which final, nonappealable judgment is given. The obligations of the Borrower in respect of any sum due to any Lender or the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum

originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, the Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to the Borrower.

SECTION 2.22. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 7.03 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fifth, to the payment of any amounts owing to the Lenders or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 4.03 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders, the Required Revolving Lenders, the Required

Term Lenders, the Required Term A-1 Lenders or the Required Term A-2 Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders directly affected thereby shall not, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(d) if any Swingline Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Revolving Credit Exposure to exceed its Revolving Commitment; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one (1) Business Day following notice by the Administrative Agent prepay such Swingline Exposure;

(e) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan, unless it is satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.22(d), and Swingline Exposure related to any such newly made Swingline Loan shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.22(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan, unless the Swingline Lender shall have entered into arrangements with the Borrower or such Lender, satisfactory to the Swingline Lender to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower, the Swingline Lender agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.23. Extension of Maturity Date.

(a) Requests for Extension. The Borrower may, by notice to the Administrative Agent (who shall promptly notify the applicable Class of Lenders) at any time, request that each applicable Lender extend such Lender's Revolving Credit Maturity Date, Term A-1 Loan Maturity Date or Term A-2 Loan Maturity Date, as the case may be (the "Applicable Maturity Date"), to a date (the "Extended Maturity Date") and the date on which such extension becomes effect, the "Extension Date") that is after the Applicable Maturity Date then in effect with respect to such Class for such Lender. For the avoidance

of doubt, the Borrower may request extensions of any Class without requesting an extension of the other Class.

(b) Lender Elections to Extend. Each Lender of the applicable Class, acting in its sole and individual discretion, shall, by notice to the Administrative Agent (which shall be irrevocable unless the Borrower otherwise consents in writing in its sole discretion) given not later than the date that is 15 days after the date on which the Administrative Agent received the Borrower's extension request (the "Lender Notice Date"), advise the Administrative Agent whether or not such Lender agrees to such extension (each Lender of the applicable Class that determines to so extend its Applicable Maturity Date, an "Extending Lender"). Each Lender of the applicable Class that determines not to so extend its Applicable Maturity Date (a "Non-Extending Lender") shall notify the Administrative Agent of such fact promptly after such determination (but in any event no later than the Lender Notice Date), and any Lender of the applicable Class that does not so advise the Administrative Agent on or before the Lender Notice Date shall be deemed to be a Non-Extending Lender. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree, and it is understood and agreed that no Lender shall have any obligation whatsoever to agree to any request made by the Borrower for extension of the Applicable Maturity Date.

(c) Notification by Administrative Agent. The Administrative Agent shall notify the Borrower of each applicable Lender's determination under this Section promptly after the Administrative Agent's receipt thereof and, in any event, no later than the date that is 15 days prior to the applicable proposed Extension Date (or, if such date is not a Business Day, on the next preceding Business Day).

(d) Additional Commitment Lenders. The Borrower shall have the right, but shall not be obligated, on or before the Applicable Maturity Date for any Non-Extending Lender to replace such Non-Extending Lender with, and add as a "Revolving Lender" (in the case of any extension of the Revolving Credit Maturity Date), as a "Term A-1 Lender" (in the case of any extension of the Term A-1 Loan Maturity Date) or as a "Term A-2 Lender" (in the case of any extension of the Term A-2 Loan Maturity Date) under this Agreement in place thereof, one or more financial institutions that are not Ineligible Institutions (each, an "Additional Commitment Lender") approved by the Administrative Agent in accordance with the procedures provided in Section 2.19(b), each of which applicable Additional Commitment Lenders shall have entered into an Assignment and Assumption (in accordance with and subject to the restrictions contained in Section 9.04, with the Borrower or replacement Lender obligated to pay any applicable processing or recordation fee) with such Non-Extending Lender, pursuant to which such Additional Commitment Lenders shall, effective on or before the Applicable Maturity Date for such Non-Extending Lender, assume a Revolving Commitment, Term A-1 Loans and/or Term A-2 Loans, as the case may be (and, if any such Additional Commitment Lender is already a Lender of the applicable Class, its Revolving Commitment, its outstanding Term A-1 Loans and/or its outstanding Term A-2 Loans, as applicable, so assumed shall be in addition to such Lender's Revolving Commitment, its outstanding Term A-1 Loans and/or its outstanding Term A-2 Loans, as applicable, hereunder on such date). The Administrative Agent may effect such amendments to this Agreement as are reasonably necessary to provide for any such extensions with the consent of the Borrower but without the consent of any other Lenders

(e) Minimum Extension Requirement. If (and only if) the total of the applicable Revolving Commitments or the applicable outstanding Term Loans of the Lenders of the applicable Class

that have agreed to extend their Applicable Maturity Date and the new or increased Revolving Commitments or the applicable newly assumed outstanding Term Loans of the applicable Class of any Additional Commitment Lenders is more than 50% of the aggregate amount of the Revolving Commitments or the applicable outstanding Term Loans, as applicable, in effect immediately prior to the applicable Extension Date, then, effective as of the applicable Extension Date, the Applicable Maturity Date of each Extending Lender and of each Additional Commitment Lender of the applicable Class shall be extended to the Extended Maturity Date (except that, if such date is not a Business Day, such Applicable Maturity Date as so extended shall be the next preceding Business Day) and each Additional Commitment Lender of such Class shall thereupon become a "Revolving Lender", a "Term A-1 Lender" and/or a "Term A-2 Lender", as the case may be, for all purposes of this Agreement and shall be bound by the provisions of this Agreement as a Revolving Lender, Term A-1 Lender, and/or Term A-2 Lender, as the case may be, hereunder and shall have the obligations of a Revolving Lender, Term A-1 Lender and/or a Term A-2 Lender, as the case may be, hereunder.

(f) Conditions to Effectiveness of Extension. Notwithstanding the foregoing, any extension of any Maturity Date pursuant to this Section 2.23 shall not be effective with respect to any Extending Lender and each Additional Commitment Lender unless:

(i) no Default or Event of Default shall have occurred and be continuing on the applicable Extension Date and immediately after giving effect thereto;

(ii) the representations and warranties of the Borrower set forth in this Agreement shall be true and correct in all material respects (provided that any representation or warranty that is qualified by materiality or Material Adverse Effect shall be true and correct in all respects) on and as of the applicable Extension Date and immediately after giving effect thereto, as though made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date); and

(iii) the Administrative Agent shall have received a certificate from the Borrower signed by a Financial Officer of the Borrower (A) certifying the accuracy of the foregoing clauses (i) and (ii) and (B) certifying and attaching the resolutions adopted by the Borrower approving or consenting to such extension (or to the extent the resolutions delivered on the Effective Date approve such matters, a certification from the Borrower that the resolutions delivered on the Effective Date remain in full force and effect and have not been amended or otherwise modified since the adoption thereof).

(g) Maturity Date for Non-Extending Lenders. On the Applicable Maturity Date of each Non-Extending Lender, (i) to the extent of the Revolving Commitments and Term Loans of each Non-Extending Lender of the relevant Class not assigned to the Additional Commitment Lenders of such Class, the Revolving Commitment of each Non-Extending Lender of such Class shall automatically terminate and (ii) the Borrower shall repay such Non-Extending Lender of such Class in accordance with Section 2.10 (and shall pay to such Non-Extending Lender all of the other Obligations due and owing to it under this Agreement) and after giving effect thereto shall prepay any Loans of the applicable Class outstanding on such date (and pay any additional amounts required pursuant to Section 2.16) to the extent necessary to keep outstanding Loans of the applicable Class ratable with any revised Applicable Percentages of the respective Lenders of such Class effective as of such date, and the Administrative Agent shall administer any necessary reallocation of the applicable Credit Exposures (without regard to any minimum borrowing, pro rata borrowing and/or pro rata payment requirements contained elsewhere in this Agreement).

(h) Conflicting Provisions. This Section shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

(b) Upon the occurrence of a Collateral Spring Date and until the occurrence of a Collateral Release Date, the Borrower will (i) furnish to the Lenders, upon request of the Administrative Agent, information in reasonable detail as to the insurance so maintained and (ii) deliver to the Administrative Agent endorsements (x) to all "All Risk" physical damage insurance policies on all of the Loan Parties' tangible personal property and assets and business interruption insurance policies naming the Administrative Agent as lender loss payee, and (y) to all general liability and other liability policies naming the Administrative Agent an additional insured. In the event the Borrower or any of its Subsidiaries at any time or times hereafter shall fail to obtain or maintain any of the policies or insurance required herein or to pay any premium in whole or in part relating thereto, then the Administrative Agent, without waiving or releasing any obligations or resulting Default hereunder, may at any time or times thereafter (but shall be under no obligation to do so) obtain and maintain such policies of insurance and pay such premiums and take any other action with respect thereto which the Administrative Agent deems advisable. All sums so disbursed by the Administrative Agent shall constitute part of the Secured Obligations, payable as provided in this Agreement. During the existence of a Collateral Period, the Borrower will furnish to the Administrative Agent and the Lenders prompt written notice of any casualty or other insured damage to any material portion of the Collateral or the commencement of any action or

proceeding for the taking of any material portion of the Collateral or interest therein under power of eminent domain or by condemnation or similar proceeding.

SECTION 5.05.Preservation of Existence, Etc. Except as otherwise permitted by this Agreement or as otherwise agreed by the Administrative Agent in its sole discretion (and excluding Excluded Subsidiaries of the Borrower), preserve and maintain, and cause each of its Subsidiaries to preserve and maintain (a) its existence, and, in the case of the Borrower, its legal structure and legal name and (b) its rights, permits, licenses, approvals, privileges and franchises; *provided, however*, that neither the Borrower nor any of its Subsidiaries shall be required to preserve any right, permit, license, approval, privilege or franchise if the preservation thereof is no longer desirable in the conduct of the business of the Borrower or such Subsidiary, as the case may be, and if the loss thereof could not reasonably be expected to have a Material Adverse Effect.

SECTION 5.06.Inspection Rights. At any reasonable time and from time to time during normal business hours and following reasonable prior notice, permit the Administrative Agent or any of the Lenders, or any agents or representatives of the Administrative Agent, to examine and make copies of and abstracts from the records and books of account of the Borrower or any other Loan Party (other than materials protected by attorney-client privilege or that a Loan Party may not disclose without violation of a confidentiality obligation binding on it or subject to any other data protection laws) and visit the properties of the Borrower and any other Loan Party, and to discuss the affairs, finances and accounts of the Borrower and any other Loan Party with any of their officers or directors and with their independent certified public accountants.

SECTION 5.07.Books and Records. Keep, and cause each of its Subsidiaries to keep, proper books of record and account, in which full and correct entries of all financial transactions and the assets and business of the Borrower and each of its Subsidiaries shall be made in accordance with generally accepted accounting principles in effect from time to time.

SECTION 5.08.Maintenance of Properties. Except as otherwise expressly permitted by this Agreement, maintain and preserve, and cause each of its Subsidiaries to maintain and preserve, all of its properties that are useful and necessary in the conduct of its business in good working order and condition, ordinary wear and tear excepted, except where failure to do so could not reasonably be expected to have a Material Adverse Effect.

SECTION 5.09.Transactions with Affiliates. Conduct, and cause each of its Subsidiaries to conduct, all transactions otherwise permitted under the Loan Documents with any of its Affiliates on terms that are fair and reasonable and substantially no less favorable to the Borrower and its Subsidiaries than they would obtain in a comparable arm's-length transaction with a Person that is not an Affiliate, other than (a) transactions among the Borrower and its Subsidiaries and among the Subsidiaries of the Borrower, (b) transfer pricing transactions in the ordinary course of business on terms providing for the Borrower and its Subsidiaries to recover, in the aggregate, their costs (plus any arm's length profit mark-up) in respect of any transferred product, and (c) dividends permitted under Section 6.07. Nothing in this Section 5.09 shall impair or prevent the allocation of expenses among the Borrower and its Subsidiaries; *provided* that such allocation is made on a reasonable basis.

SECTION 5.10.Covenant to Guarantee Obligations and Provide Security.

(a) Within 45 days (or such later date as the Administrative Agent may agree to in its reasonable discretion) following the formation or acquisition after the Effective Date of any U.S.

Subsidiary which is not an Excluded Subsidiary by the Borrower (or, in the case of the acquisition of any such U.S. Subsidiary on the Trigger Date in connection with the DJO Acquisition, immediately after the acquisition thereof on the Trigger Date), cause such U.S. Subsidiary to guarantee all of the Guaranteed Obligations pursuant to Article X and duly execute and deliver to the Administrative Agent a Guaranty Supplement, together with, upon the request of the Administrative Agent in its sole reasonable discretion, a signed copy of a favorable opinion, addressed to the Administrative Agent and the Lenders, of counsel for the Loan Parties reasonably acceptable to the Administrative Agent as to such guaranties and guaranty supplements being legal, valid and binding obligations of each Loan Party party thereto enforceable in accordance with their terms and as to matters of corporate formalities as the Administrative Agent may request.

(b) If and when a U.S. Subsidiary ceases to be an Excluded Subsidiary, cause such U.S. Subsidiary to comply with the provisions and requirements of this Section 5.10 as set forth above.

(c) Within 45 days (or such later date as may be agreed upon by the Administrative Agent in its reasonable discretion) following a Collateral Spring Date, the Borrower will cause, and will cause each other Loan Party to cause, all of its owned property (whether personal, tangible, intangible, or mixed, but excluding Excluded Assets) to be subject at all times during the Collateral Period to first priority, perfected Liens in favor of the Administrative Agent for the benefit of the Secured Parties to secure the Secured Obligations in accordance with the terms and conditions of the Collateral Documents, subject in any case to Liens permitted by Section 6.01. Without limiting the generality of the foregoing, the Borrower will cause the Applicable Pledge Percentage of Equity Interests in each Pledge Subsidiary directly owned by the Borrower or any other Loan Party to be subject at all times to a first priority, perfected Lien in favor of the Administrative Agent to secure the Secured Obligations in accordance with the terms and conditions of the Collateral Documents or such other pledge and security documents as the Administrative Agent shall reasonably request. Notwithstanding the foregoing, no such pledge agreement in respect of the Equity Interests of a First Tier Foreign Subsidiary shall be required hereunder (A) until the date that is sixty (60) days after a Collateral Spring Date or such later date as the Administrative Agent may agree in the exercise of its reasonable discretion with respect thereto, and (B) to the extent the Administrative Agent or its counsel determines that such pledge would not provide material credit support for the benefit of the Secured Parties pursuant to legally valid, binding and enforceable pledge agreements.

(d) Without limiting the foregoing, during a Collateral Period, the Borrower will, and will cause each other Loan Party to, execute and deliver, or cause to be executed and delivered, to the Administrative Agent such documents, agreements and instruments, and will take or cause to be taken such further actions which may be required by law or which the Administrative Agent may, from time to time, reasonably request to carry out the terms and conditions of this Agreement and the other Loan Documents and to ensure perfection and priority of the Liens created or intended to be created by the Collateral Documents, all at the expense of the Borrower.

(e) If any assets are acquired by a Loan Party during a Collateral Period (other than Excluded Assets or assets constituting Collateral under the Security Agreement that become subject to the Lien under the Security Agreement upon acquisition thereof), the Borrower will notify the Administrative Agent thereof, and, if requested by the Administrative Agent, the Borrower will cause such assets to be subjected to a Lien securing the Secured Obligations and will take, and cause the other Loan Parties to take, such actions as shall be necessary or reasonably requested by the Administrative Agent to grant and perfect such Liens, including actions described in paragraph (c) of this Section, all at the expense of the Borrower.

(f) Upon the occurrence of a Collateral Release Date following the occurrence of a Collateral Spring Date, and so long as no Default is then continuing, any Liens granted to the Administrative Agent pursuant to the requirements of the foregoing clauses (c), (d) and/or (e) of this Section 5.10 (such clauses, collectively, the “Collateral Requirements”) which remain in effect at such time shall be promptly released by the Administrative Agent (and the Administrative Agent agrees to execute and deliver any documents or instruments reasonably requested by the Borrower and in form and substance reasonably satisfactory to the Administrative Agent to evidence the release of all Collateral, all at the expense of the Borrower).

SECTION 5.11. Use of Proceeds. Use the proceeds of the Loans only as provided in Section 3.14.

SECTION 5.12. Reporting Requirements. Furnish to the Administrative Agent and the Lenders:

(j) the DJO Acquisition; and

(a) the Borrower's entry into (including payments of premiums in connection therewith), and the performance of obligations under, any Permitted Bond Hedge Transactions and Permitted Warrant Transactions in accordance with their terms.

SECTION 6.07 Restricted Payments. Declare or pay any dividends, purchase, redeem, retire, defease or otherwise acquire for value any of its Equity Interests (other than, with respect to the Borrower, any Permitted Convertible Indebtedness, any Permitted Bond Hedge Transactions or any Permitted Warrant Transactions) now or hereafter outstanding, return any capital to its stockholders, partners or members (or the equivalent Persons thereof) or permit any of its Subsidiaries to do any of the foregoing (collectively, "Restricted Payments"), except that, so long as no Default shall have occurred and be continuing at the time of any action described below or would result therefrom:

(a) the Borrower may (i) declare and pay dividends and distributions payable in its common stock and purchase, redeem, retire, defease or otherwise acquire shares of its capital stock with the proceeds received contemporaneously from the issue of new shares of its capital stock with equal or inferior voting powers, designations, preferences and rights, and (ii) declare and pay dividends and distributions in cash and purchase, redeem, retire, defease or otherwise acquire Equity Interests with cash and notes so long as before and after giving effect to the payment of such distribution or dividend, the Borrower shall be in *pro forma* compliance with the Initial Covenant Schedule;

(b) any Subsidiary of the Borrower may (i) declare and pay dividends to the Borrower, (ii) declare and pay dividends to any Subsidiary of the Borrower of which it is a Subsidiary; *provided* that if such Subsidiary declaring and paying dividends is not Wholly-Owned, the Borrower or the Subsidiary of the Borrower which owns equity interests in the Subsidiary paying such dividends or distributions shall receive at least its proportionate share thereof (based upon its relative holding of the equity interest in the Subsidiary paying such dividends or distributions and taking into account the relative preferences, if any, of the various classes of equity interests of such Subsidiary) unless its then shareholders, members or partners are required under applicable law to receive a greater proportionate share thereof; and

(c) the Borrower or any of its Subsidiaries may purchase, redeem, retire, defease or otherwise acquire Equity Interests in any Subsidiary.

Notwithstanding the foregoing, and for the avoidance of doubt, (i) the conversion by holders of (including any cash payment upon conversion), or required payment of any principal or premium on, or required payment of any interest with respect to, any Permitted Convertible Indebtedness, in each case, in accordance with the terms of the indenture governing such Permitted Convertible Indebtedness, shall not constitute a Restricted Payment; *provided* that, to the extent both (a) the aggregate amount of cash payable upon conversion or payment of any Permitted Convertible Indebtedness (excluding any required payment of interest with respect to such Permitted Convertible Indebtedness and excluding any payment of cash in lieu of a fractional share due upon conversion thereof) exceeds the aggregate principal amount thereof and (b) such conversion or payment does not trigger or correspond to an exercise or early unwind or settlement of a corresponding portion of the Permitted Bond Hedge Transactions relating to such Permitted Convertible Indebtedness (including, for the avoidance of doubt, the case where there is no Permitted Bond Hedge Transaction relating to such Permitted Convertible Indebtedness), the payment of such excess cash shall constitute a Restricted Payment notwithstanding this clause (i); and (ii) any required payment with respect to, or required early unwind or settlement of, any Permitted Bond Hedge Transaction or Permitted Warrant Transaction, in each case, in accordance with the terms of the agreement governing such Permitted Bond Hedge Transaction or Permitted Warrant Transaction shall not constitute a Restricted Payment; *provided* that, to the extent cash is required to be paid under a Permitted

Warrant Transaction as a result of the election of “cash settlement” (or substantially equivalent term) as the “settlement method” (or substantially equivalent term) thereunder by the Borrower (or its Affiliate) (including in connection with the exercise and/or early unwind or settlement thereof), the payment of such cash (any such payment, a “Cash Settlement Payment”) shall constitute a Restricted Payment notwithstanding this clause (ii).

Notwithstanding the foregoing, the Borrower may repurchase, exchange or induce the conversion of Permitted Convertible Indebtedness by delivery of shares of the Borrower’s common stock and/or a different series of Permitted Convertible Indebtedness (which series (x) matures after, and does not require any scheduled amortization or other scheduled payments of principal prior to, the analogous date under the indenture governing the Permitted Convertible Indebtedness that are so repurchased, exchanged or converted and (y) has terms, conditions and covenants that are no less favorable to the Borrower than the Permitted Convertible Indebtedness that are so repurchased, exchanged or converted (as determined by the board of directors of the Borrower, or a committee thereof, in good faith)) (any such series of Permitted Convertible Indebtedness, “Refinancing Convertible Notes”) and/or by payment of cash (in an amount that does not exceed the proceeds received by the Borrower from the substantially concurrent issuance of shares of the Borrower’s common stock and/or Refinancing Convertible Notes plus the net cash proceeds, if any, received by the Borrower pursuant to the related exercise or early unwind or termination of the related Permitted Bond Hedge Transactions and Permitted Warrant Transactions, if any, pursuant to the immediately following proviso); provided that, substantially concurrently with, or a commercially reasonable period of time before or after, the related settlement date for the Permitted Convertible Indebtedness that are so repurchased, exchanged or converted, the Borrower shall (and, for the avoidance of doubt, shall be permitted under this Section 6.07 to) exercise or unwind or terminate early (whether in cash, shares or any combination thereof) the portion of the Permitted Bond Hedge Transactions and Permitted Warrant Transactions, if any, corresponding to such Permitted Convertible Indebtedness that are so repurchased, exchanged or converted.

Notwithstanding the foregoing, and for the avoidance of doubt, the settlement by the Borrower (by delivery of the Borrower’s common stock or other securities or property following a merger event or other change in the common stock of the Borrower, and including any payment of cash in lieu of a fractional share and cash included in the purchase obligation upon the Merger Termination Redemption) of any Permitted TEU Purchase Contracts in accordance with the terms of the purchase contract agreement governing such Permitted TEU Purchase Contracts shall not constitute a Restricted Payment; provided that, to the extent that the amount of cash included in the Borrower’s repurchase obligation per Permitted Tangible Equity Unit (including, for the avoidance of doubt, the cash redemption amount of each Permitted TEU Purchase Contract and the repurchase price of each Permitted TEU Note; and determined for such purpose as if any separate Permitted TEU Purchase Contracts and any separate Permitted TEU Note were recreated as Permitted Tangible Equity Units) in respect of the Merger Termination Redemption exceeds the stated amount of such Permitted Tangible Equity Unit, such excess will be deemed to be a Restricted Payment notwithstanding this clause.

SECTION 6.08.Accounting Changes. Make or permit any change in the Fiscal Year of the Borrower.

SECTION 6.09.Speculative Transactions. Enter into, or permit any Subsidiary of the Borrower to enter into, any Hedge Agreements that are not in the ordinary course of business and entered into for speculative purposes.

SECTION 6.10. Anti-Corruption; Sanctions Laws and Regulations. Except to the extent that this provision would expose the Borrower or any of its Subsidiaries incorporated in Germany or within the EU or any director, officer or employee thereof to any liability or enforcement under EU Regulation (EC) 2271/96, Section 7 of the German Foreign Trade Regulation or any similar law, as applicable:

(a) Engage in any transaction, or knowingly permit any of its Subsidiaries to engage in any transaction, that violates any of the applicable prohibitions set forth in any applicable Sanctions Laws and Regulations.

(i) in connection with any transaction relating directly or indirectly to any Designated Person or in a Sanctioned Country; or

(ii) in violation of applicable Anti-Corruption Laws or applicable Sanctions Laws and Regulations, or in a manner that causes any Lender to violate any applicable Sanctions Laws and Regulations.

(c) Permit any of the funds or assets of any Borrower that are used to repay or prepay any Facility under this Agreement to constitute property of, or to be beneficially owned by, any Designated Person, or be obtained or derived from transactions with or relating to countries subject to U.S., EU or United Kingdom economic sanctions or that violate prohibitions set forth in any applicable Anti-Corruption Laws or Sanctions Laws and Regulations. The Borrower shall not (and shall ensure that no other Loan Party will) fund all or part of any payment under this Agreement out of proceeds derived from transactions that violate the prohibitions set forth in any Anti-Corruption Laws or Sanctions Laws and Regulations.

(d)(i) Permit any Designated Person to obtain or allow to continue any direct or indirect interest in the Borrower or any Subsidiary of the Borrower and (ii) obtain or allow to continue any direct or indirect interest in any Designated Person by the Borrower or any Subsidiary of the Borrower; *provided* that this clause (d) shall not be applicable to any public shareholders of the Borrower other than the Equity Investors and their Affiliates.

SECTION 6.11. Material TEU Amendments. No Loan Party will, nor will it permit any Subsidiary to, amend, modify or waive any of its rights under any agreement relating to any Permitted Tangible Equity Units, Permitted TEU Purchase Contracts or Permitted TEU Notes, in each case, except (a) to the extent any such amendment, modification or waiver is expressly required pursuant to the terms of the purchase contract agreement and/or indenture, as applicable, governing such Permitted Tangible Equity Units, Permitted TEU Purchase Contracts or Permitted TEU Notes (as in effect on the first original issuance date of such Permitted Tangible Equity Units, Permitted TEU Purchase Contracts or Permitted TEU Notes) or (b) to the extent any such amendment, modification or waiver does not amend, modify or waive the purchase contract agreement and/or indenture, as applicable, governing such Permitted Tangible Equity Units, Permitted TEU Purchase Contracts or Permitted TEU Notes in a manner that would be materially adverse to the Lenders.

SECTION 7.02. Remedies Upon an Event of Default. If an Event of Default occurs (other than an event with respect to the Borrower described in Section 7.01(f)), and at any time thereafter during the continuance of such Event of Default, the Administrative Agent may with the consent of the Required Lenders, and shall at the request of the Required Lenders, by notice to the Borrower, take any or all of the following actions, at the same or different times:

(a) terminate the Commitments and thereupon the Commitments shall terminate immediately (provided that, in the case of the Trigger Date Commitments, such Commitments shall not terminate prior to the earliest of, as applicable, (A) the Term A-1 Loan Commitment Expiration Date, (B) the Term A-2 Loan Commitment Expiration Date and (C) the Trigger Date (after consummation of the Transactions); provided further that, for the avoidance of doubt, the availability of Loans in respect of the Trigger Date Commitments shall be subject to the satisfaction of the conditions set forth in Section 4.02);

(b) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Secured Obligations of the Borrower accrued hereunder and under any other Loan Document, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents and applicable law.

If an Event of Default described in Section 7.01(f) occurs with respect to the Borrower, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under any other Loan Document, shall automatically become due and payable, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Loan Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Loan Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived by the Borrower on behalf of itself and its Subsidiaries), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by any Loan Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Secured Parties, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk. The Administrative Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Loan Party, which right or equity is hereby waived and released by the Borrower on behalf of itself and its Subsidiaries. The Borrower further agrees on behalf of itself and its Subsidiaries, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at the premises of the Borrower, another Loan Party or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Article VII, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any other way relating to the Collateral or the rights of the Administrative Agent and the Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as the Administrative Agent may elect, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the New York Uniform Commercial Code, need the Administrative Agent account for the surplus, if any, to any Loan Party. To the extent permitted by applicable law, the Borrower on behalf of itself and its Subsidiaries waives all claims, damages and demands it may acquire against the Administrative Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

SECTION 7.03. Application of Payments. Notwithstanding anything herein to the contrary, following the occurrence and during the continuance of an Event of Default, and notice hereof to the Administrative Agent by the Borrower or the Required Lenders all payments received on account of the Secured Obligations shall, subject to Section 2.22, be applied by the Administrative Agent as follows:

(i) first, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts payable to the Administrative Agent (including fees and disbursements and other charges of counsel to the Administrative Agent payable under Section 9.03 and amounts pursuant to Section 2.12(c) payable to the Administrative Agent in its capacity as such);

(ii) second, to payment of that portion of the Secured Obligations constituting fees, expenses, indemnities and other amounts (other than principal and interest) payable to the Lenders and the other Secured Parties (including fees and disbursements and other charges of counsel to the Lenders payable under Section 9.03) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (ii) payable to them;

(iii) third, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) fourth, (A) to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and (B) to any other amounts owing with respect to Banking Services Obligations and Swap Obligations, in each case, ratably among the Lenders and any other applicable Secured Parties in proportion to the respective amounts described in this clause (iv) payable to them;

(v) fifth, to the payment in full of all other Secured Obligations, in each case ratably among the Administrative Agent, the Lenders and the other Secured Parties based upon the respective aggregate amounts of all such Secured Obligations owing to them in accordance with the respective amounts thereof then due and payable; and

(vi) finally, the balance, if any, after all Secured Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by law.

ARTICLE VIII

The Administrative Agent

SECTION 8.01 Authorization and Action.

(a) Each Lender hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender hereby grants to the Administrative Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's behalf. Without limiting the foregoing, each Lender hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender; provided, however, that the Administrative Agent shall not be required to take any action that (i)

the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender or any Secured Party other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of any jurisdiction other than the United States of America, or is required or deemed to hold any Collateral “on trust” pursuant to the foregoing, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law; and

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents

appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) None of any Syndication Agent, any Co-Documentation Agent, any Bookrunner or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequesteror or other similar official in any such proceeding is hereby authorized by each Lender and each Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

(g) Without limiting the authority granted to the Administrative Agent in this Article VIII, each Lender and each other Secured Party (by virtue of its acceptance of the benefits of the Loan Documents) hereby (i) agrees that it will be bound by and will take no actions contrary to the provisions of any Intercreditor Agreement entered into pursuant to the terms hereof and (ii) authorizes and instructs the Administrative Agent to enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, waive or otherwise modify any Intercreditor Agreement on behalf of such Lender or other Secured Party and agrees that the Administrative Agent may take actions on its behalf as is contemplated by the terms of such Intercreditor Agreement. In the event of any conflict between the terms of any Intercreditor Agreement and this Agreement, the terms of such Intercreditor Agreement shall

govern and control. It is hereby understood and agreed that any Intercreditor Agreement entered into in respect of any Receivables Facility may provide for, among other things, (i) the Administrative Agent's and the Lenders' forbearance of, and other limitations on, any exercise of remedies in respect of any notes issued by any Receivables Subsidiary to any Receivables Seller in connection with any Receivables Facility, in any case, that have been pledged to secure the Secured Obligations and/or (ii) disclaimers of interests on, and releases of security interests in, any Receivables Assets.

(h) The provisions of this [Article VIII](#) are solely for the benefit of the Administrative Agent, the Lenders, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this [Article VIII](#), none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this [Article VIII](#).

SECTION 8.02. Administrative Agent's Reliance, Indemnification, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document ([including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page](#)) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower or a Lender and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in [Article IV](#) or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable

for, or be responsible for any claim, liability, loss, cost or expense suffered by the Borrower, any Subsidiary or any Lender as a result of, any determination of the Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or any Dollar Amount thereof.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender sufficiently in advance of the making of such Loan and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Posting of Communications.

(a) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF

MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY SYNDICATION AGENT, ANY CO-DOCUMENTATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM, EXCEPT TO THE EXTENT OF DIRECT OR ACTUAL DAMAGES AS ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION AND BY A FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH APPLICABLE PARTY.

(d) Each Lender agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.04. The Administrative Agent Individually. With respect to its Commitment and Loans, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender. The terms "Lenders", "Required Lenders", "Required Term Lenders" "Required Revolving Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender or as one of the Required Lenders, the Required Term Lenders or the Required Revolving Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders.

SECTION 8.05. Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest) and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article VIII and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.06. Acknowledgements of Lenders.

(a) Each Lender represents ~~that~~ warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender, in each case in the ordinary course of its business and that business, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument (and each Lender agrees not to assert a claim in contravention of the foregoing), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, Syndication Agent, Co-Documentation Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder, and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, Syndication Agent, Co-Documentation Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

(c)(i) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 8.06(c) shall be conclusive, absent manifest error.

(ii) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment

(a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(iv) Each party’s obligations under this Section 8.06(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.07. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party’s right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Administrative Agent is a “representative” of the Secured Parties within the meaning of the term “secured party” as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties.

(b) In furtherance of the foregoing and not in limitation thereof, no Banking Services Agreement or Swap Agreement will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Banking Services Agreement or Swap Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties irrevocably authorize the Administrative Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent

under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.01(a). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the termination of all the Commitments and payment and satisfaction in full in cash of all Secured Obligations (other than Swap Obligations, Banking Services Obligations and Unliquidated Obligations, in each case not then due and payable) (the conditions set forth in this clause (i), collectively, the "Final Release Conditions"), (ii) constituting property being sold or disposed of (including, without limitation, Receivables Assets) if the Borrower certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property leased to the Borrower or any Subsidiary under a lease which has expired or been terminated in a transaction permitted under this Agreement, (iv) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII, (v) upon the occurrence of a Collateral Release Date in accordance with terms and conditions of Section 5.10(f). Any such release shall not in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral so long as a Collateral Period is then in effect. In addition, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, irrevocably authorizes the Administrative Agent, at its option and in its discretion, (i) to subordinate any Lien on any assets granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e) or (ii) in the event that the Borrower shall have advised the Administrative Agent that, notwithstanding the use by the Borrower of commercially reasonable efforts to obtain the consent of such holder (but without the requirement to pay any sums to obtain such consent) to permit the Administrative Agent to retain its liens (on a subordinated basis as contemplated by clause (i) above), the holder of such other Debt requires, as a condition to the extension of such credit, that the Liens on such assets granted to or held by the Administrative Agent under any Loan Document be released, to release the Administrative Agent's Liens on such assets.

SECTION 8.08.Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount

proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 8.09.Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company

general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii)(A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the Arrangers, the Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, or the Arrangers, the Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Administrative Agent and each Arranger, Syndication Agent and Co-Documentation Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, commitment fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent fees or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

(iv) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Borrower, any other Loan Party and the Lenders hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender may have had notice or knowledge of such Default at the time.

(b) Except as provided in Section 2.20 with respect to an Incremental Amendment, or as provided in Section 2.23 with respect to the extension of any Applicable Maturity Date, or as provided in Section 2.14(c) and (d) or pursuant to any fee letter entered into by the Borrower in connection with this Agreement, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except that (x) neither (A) any amendment or modification of the financial covenants in this Agreement (or defined terms used in the financial covenants in this Agreement) or (B) any amendment entered into pursuant to the terms of Section 2.14(c) shall constitute a reduction in the rate of interest or fees for purposes of this clause (ii) even if the effect of such amendment or modification would be to reduce the rate of interest on any Loan or to reduce any fee payable hereunder and (y) only the consent of the Required Lenders shall be necessary to reduce or waive any obligation of the Borrower to pay interest or any other amount at the applicable default rate set forth in Section 2.13(c) or to amend Section 2.13(c)), (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby (other than (x) any reduction of the amount of, or any extension of the payment date for, the mandatory prepayments required under Section 2.11(b), which shall only require the approval of the Required Revolving Lenders, (y) any reduction of the amount of, or any extension of the payment date for, the mandatory prepayments required under Section 2.11(c), which shall only require the approval of the Required Term Lenders, and (z) with respect to the matters set forth in clauses (ii)(x) and (ii)(y) above), (iv) change Section 2.09(c) or 2.18(b) or (d) in a manner that would alter the ratable reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender; (v) change the payment waterfall provisions of Section 2.22(b) or 7.03 without the written consent of each Lender, (vi) (x) waive any condition set forth in Section 4.03 in respect of the making of a Revolving Loan without the written consent of the Required Revolving Lenders, (y) waive any condition set forth in Section 4.02 in respect of the making of a Term A-1 Loan without the written consent of the Required Term A-1 Lenders or (z) waive any condition set forth in Section 4.02 in respect of the making of a Term A-2 Loan without the written consent of the Required Term A-2 Lenders (it being understood

and agreed that any amendment or waiver of, or any consent with respect to, any provision of this Agreement (other than any waiver expressly relating to Section 4.02 or Section 4.03, as applicable) or any other Loan Document, including any amendment of any affirmative or negative covenant set forth herein or in any other Loan Document or any waiver of a Default or an Event of Default, shall not be deemed to be a waiver of a condition set forth in Section 4.02 or Section 4.03, as applicable, for purposes of this Section 9.02), (vii) change any of the provisions of this Section or the definition of "Required Lenders", "Required Revolving Lenders", "Required Term Lenders", "Required Term A-1 Lenders", "Required Term A-2 Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (or each Lender of such Class, as applicable) (it being understood that, solely with the consent of the parties prescribed by Section 2.20 to be parties to an Incremental Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the Commitments and the Loans are included on the Effective Date), or (viii) (x) release the Borrower from its obligations under Article X or (y) release all or substantially all of the Guarantors from their obligations under the Guaranty, in each case, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Swingline Lender hereunder without the prior written consent of the Administrative Agent or the Swingline Lender, as the case may be (it being understood that any change to Section 2.22 shall require the consent of the Administrative Agent and the Swingline Lender). Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to an Incremental Term Loan Amendment) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans, the initial Term Loans, Incremental Term Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders (it being understood and agreed that any such amendment (i) in connection with new Commitments or increases to the Commitments and/or Incremental Term Loans in accordance with Section 2.20 or (ii) in connection with any extension in accordance with Section 2.23 shall, in any such case, require solely the consent of the parties prescribed by such Section and shall not require the consent of the Required Lenders).

(d) [Intentionally Omitted].

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a "Non-Consenting Lender"), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and

to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender and (iii) such Non-Consenting Lender shall have received the outstanding principal amount of its Loans. Each party hereto agrees that (a) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (b) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

(f) Notwithstanding anything to the contrary herein, if the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, charges and disbursements and other charges of one firm of counsel and, if necessary, one firm of local counsel in each appropriate jurisdiction, in each case, for the Administrative Agent and its Affiliates), in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of one firm of counsel for the Administrative Agent (and, to the extent reasonably required by the Administrative Agent, one firm of local counsel for the Administrative Agent in each applicable jurisdiction) and one counsel for all of the other Lenders (and, to the extent reasonably required by the Lenders, up to one firm of local counsel for all of the other Lenders in each applicable jurisdiction), unless a Lender or its counsel reasonably determines that it would create actual or potential conflicts of interests to not have individual counsel, in which case similarly affected Lenders may have one additional firm of counsel) in connection with the enforcement or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made, including all such out-of-pocket expenses (subject to the foregoing limitations with

respect to legal fees and expenses) incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Borrower shall indemnify the Administrative Agent, each Arranger, the Syndication Agent, each Co-Documentation Agent, and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and reasonable and documented out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing (limited, in the case of legal expenses, to the reasonable and documented out-of-pocket fees, charges and disbursements of one firm of counsel as primary counsel and, to the extent reasonably required, a single firm of local counsel in each applicable jurisdiction for the Indemnitees, taken as a whole, and, in the event of an actual or reasonably perceived conflict of interest (as determined by the applicable Indemnitee), one additional firm of counsel to each group of similarly affected Indemnitees) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation, arbitration or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation, arbitration or proceeding is brought by the Borrower or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (x) the willful misconduct, bad faith or gross negligence of such Indemnitee or (y) a material breach of such Indemnitee's express obligations under the applicable Loan Documents or (ii) have resulted from any dispute solely among Indemnitees (not arising as a result of any act or omission by any Loan Party or any Subsidiaries or Affiliates), other than any dispute involving claims against any Credit Party in its capacity as, or in fulfilling its role as, the Administrative Agent, the Swingline Lender, a lead arranger, bookrunner, agent or any similar role under or in connection with this Agreement. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, and each Revolving Lender severally agrees to pay to Swingline Lender such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, and subject to the last sentence of this Section 9.03(d), no party hereto shall assert, and each party hereto hereby waives, any claim against any other party hereto for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the

Internet), other than damages that are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such party. To the extent permitted by applicable law, no Indemnitee shall assert against any Loan Party and no Loan Party shall assert against any Indemnitee, and each Indemnitee and Loan Party hereby waives, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of proceeds thereof. Notwithstanding the foregoing, nothing contained in this Section 9.03(d) shall limit the Borrower's indemnity obligations to the extent set forth in Section 9.03(b).

(e) All amounts due under this Section shall be payable not later than thirty (30) days after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower (provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof); provided, further, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee;

(B) the Administrative Agent; and

(C) the Swingline Lender; provided that no consent of the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the

Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (in the case of Revolving Commitments and Revolving Loans) or \$1,000,000 (in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) the Borrower, any of its Subsidiaries or any of its Affiliates, or (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue

to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent or the Swingline Lender, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to

paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05.Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06.Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single

contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and other obligations at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or its respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Lenders and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Lender relating to this Agreement, any other Loan Document or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

(c) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Administrative Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(d) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (c) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(e) Each of the parties hereto hereby irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information

confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (1) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (2) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) on a confidential basis to (1) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower or (i) to the extent such Information (1) becomes publicly available other than as a result of a breach of this Section or (2) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Loan Party, which information

includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the Patriot Act.

SECTION 9.14. Release of Subsidiary Guarantors and Collateral.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Loan Documents (i) pursuant to the terms of Section 10.08, and (ii) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary; provided that, in the case of clause (ii) above, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other disposition (other than any lease or license) by any Loan Party (other than to the Borrower or any Subsidiary) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Collateral Document in any Collateral pursuant to Section 8.07(d) or Section 9.02, the security interests in such Collateral created by the Collateral Documents shall be automatically released. In connection with any termination or release pursuant to this Section (including pursuant to clause (b) below), the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent except as may otherwise be expressly agreed in writing by the Administrative Agent and such Loan Party.

(b) Further, the Administrative Agent may (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Guaranty if (i) such Subsidiary Guarantor is no longer a Subsidiary or becomes an Excluded Subsidiary or is otherwise not required pursuant to the terms of this Agreement to provide the Guaranty or (ii) such release is approved, authorized or ratified by the requisite Lenders pursuant to Section 9.02.

SECTION 9.15. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17.No Fiduciary Duty, etc.

(a) The Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(b) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower, its Subsidiaries and other companies with which the Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 9.18.Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

ARTICLE X

Guaranty.

SECTION 10.01. Guaranty, Limitation of Liability.

(a) Each Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or by acceleration, demand or otherwise, of all Secured Obligations now or hereafter existing (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing Secured Obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such Secured Obligations being the "Guaranteed Obligations"). Each Guarantor agrees to pay any and all expenses (including, without limitation, reasonable, documented and out-of-pocket fees and expenses of counsel) incurred by the Administrative Agent or any Lender Party in enforcing any rights against such Guarantor under this Agreement or any other Loan Document. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations, in each case that would be owed by the Borrower and the other Loan Parties, respectively, to any Lender Party but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Borrower or other Loan Party.

(b) Each Guarantor and each Lender Party hereby confirms that it is the intention of all such Persons that the Secured Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Laws, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to the Guaranty and the Secured Obligations of such Guarantor hereunder. To effectuate the foregoing intention, each Lender Party and each Guarantor hereby irrevocably agree that the Secured Obligations of each Guarantor with respect to the Guaranty at any time shall be limited to the maximum amount as will result in the Secured Obligations of such Guarantor under the Guaranty not constituting a fraudulent transfer or conveyance.

(c) Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Lender Party with respect to the Guaranty, such Guarantor will contribute, to the maximum extent permitted by applicable Law, such amounts to each other Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Lender Parties under or in respect of the Loan Documents.

(d) The Guaranty contained herein is a guarantee of payment and not of collection.

SECTION 10.02. Guaranty Absolute.

To the fullest extent permitted pursuant to applicable Law, each Guarantor guarantees that the Guaranteed Obligations guaranteed by it will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender Party with respect thereto. The Secured Obligations of each Guarantor under or in respect of the Guaranty are independent of the Guaranteed Obligations or any other Secured Obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce the Guaranty, irrespective of whether any action is brought against the Borrower or any other Loan Party or whether the Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under the Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other Secured Obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

(e) the failure of any other Person to execute or deliver any Guaranty Supplement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the Guaranteed Obligations; or

(f) to the fullest extent permitted by applicable Law, any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender Party that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

The Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender Party or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 10.03. Waivers and Acknowledgments.

(a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and the Guaranty and any requirement that the Administrative Agent or any Lender exhaust any right or take any action against any Loan Party or any other Person.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke its Secured Obligations with respect to the Guaranty and acknowledges that such Secured Obligations are continuing in nature and apply to all Guaranteed Obligations, whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by the Administrative Agent or any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Secured Obligations of such Guarantor hereunder.

(d) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of the Administrative Agent or any Lender to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by the Administrative Agent or any Lender.

(e) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 10.02 and this Section 10.03 are knowingly made in contemplation of such benefits.

SECTION 10.04.Subrogation.

Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's Secured Obligations under or in respect of the Guaranty or any Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any of the Administrative Agent or the Lender against the Borrower, any other Loan Party or any other insider guarantor, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under the Guaranty shall have been paid in full in cash and the Commitments shall have expired or been terminated; *provided* that each Guarantor may make any necessary filings solely to preserve its claims against the Borrower, other Loan Party or other insider guarantor. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under the Guaranty and (b) the date on which the Commitments shall have been terminated in whole, such amount shall be received and held in trust for the benefit of the Administrative Agent and the Lenders, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Administrative Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under the Guaranty, whether matured or unmatured, in accordance with the terms of the Loan Documents. If (i) any Guarantor shall make payment to any of the Administrative Agent or the Lender of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under the Guaranty shall have been paid in full in cash and (iii) the Commitments shall have been terminated in whole, the Administrative Agent and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 10.05.Guaranty Supplements.

(a) The Borrower may at any time have additional Subsidiaries joined as Guarantors by execution and delivery of a Guaranty Supplement, together with such customary certificates, evidences of authority and opinions of counsel as the Administrative Agent may reasonably request in connection therewith.

(b) Upon the execution and delivery by any Person of a Guaranty Supplement, (a) such Person shall be referred to as an “Additional Guarantor” and shall become and be a Guarantor hereunder, and each reference in this Agreement or any other Loan Document to a “Guarantor,” shall also mean and be a reference to such Additional Guarantor and (b) each reference herein to “the Guaranty,” “hereunder,” “hereof” or words of like import referring to the Guaranty under this Article X, and each reference in any Loan Document to the “Guaranty,” “thereunder,” “thereof” or words of like import referring to the Guaranty, shall mean and be a reference to the Guaranty as supplemented by such Guaranty Supplement.

SECTION 10.06.Subordination.

Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the “Subordinated Obligations”) to the Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 10.06:

(a) Prohibited Payments, Etc. Except during the continuance of a Default (including the commencement and continuation of any proceeding under any Debtor Relief Laws relating to any other Loan Party), each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Default (including the commencement and continuation of any proceeding under any Debtor Relief Laws relating to any other Loan Party), however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(b) Prior Payment of Guaranteed Obligations. Each Guarantor agrees that in any proceeding under any Debtor Relief Laws relating to any other Loan Party, the Administrative Agent and the Lenders shall be entitled to receive payment in full in cash of all Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Debtor Relief Laws, whether or not constituting an allowed claim in such proceeding (“Post Petition Interest”)) before such Guarantor receives payment of any Subordinated Obligations.

(c) Turn-Over. After the occurrence and during the continuance of any Default (including the commencement and continuation of any proceeding under any Debtor Relief Laws relating to any other Loan Party), each Guarantor shall, if the Administrative Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Lenders and deliver such payments to the Administrative Agent on account of the Guaranteed Obligations (including all Post Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(d) Administrative Agent Authorization. After the occurrence and during the continuance of any Default (including the commencement and continuation of any proceeding under any Debtor Relief Laws relating to any other Loan Party), the Administrative Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, Subordinated Obligations and to apply any amounts received thereon to the Guaranteed Obligations (including any and all Post Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, Subordinated Obligations and (B) to pay any amounts received on such obligations to the Administrative Agent for application to the Guaranteed Obligations (including any and all Post Petition Interest).

SECTION 10.07.Continuing Guaranty: Assignments.

Subject to Section 10.08 below, the Guaranty under this Article X is a continuing guaranty and shall remain in full force and effect until satisfaction of the Final Release Conditions.

SECTION 10.08.Guaranty Fallaway Provision.

Notwithstanding anything to the contrary set forth herein, upon evidence being provided by the Borrower to the Administrative Agent confirming that the Borrower has obtained a “corporate family” or “company” rating of at least BBB- from S&P or at least Baa3 from Moody’s, the Guarantee of the Subsidiary Guarantors contained in this Article X shall be automatically released and each reference to the Guarantee of the Subsidiary Guarantors contained in this Article X shall, so long as no Default is in existence and continuing at such time, be deemed to be of no further force and effect; provided that, if the Borrower shall at any time after the initial achievement of such investment grade rating fail to maintain such rating from at least one of S&P or Moody’s, each Wholly-Owned US Subsidiary (other than any Excluded Subsidiary) shall be required to deliver a Guaranty Supplement at such time, on substantially the same terms as the Guaranty or Guaranty Supplement previously delivered by such Subsidiary and together with any certificates, corporate authorizations, legal opinions and other documentation reasonably required by the Administrative Agent. It is hereby understood and agreed that this Section 10.08 shall not, in any event, effect the release of the Guarantee of the Borrower contained in this Article X, which shall remain in effect during the entire term of this Agreement.

SECTION 10.09.Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guarantee in respect of a Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.09 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.09 or otherwise under the Guaranty under this Article X voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 10.09 shall remain in full force and effect until the termination of all Swap Obligations. Each Qualified ECP Guarantor intends that this Section 10.09 constitute, and this Section 10.08 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.
