

Colfax Wins EUR 1 Million Contract to Supply Pumping System to Brunei Shell Petroleum

HONG KONG, March 16, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- Colfax Corporation (NYSE: CFX), a global leader in fluid-handling solutions for critical applications, announced today a EUR 1 million sale of pumping systems to Brunei Shell Petroleum (BSP). Four Houttuin twin-screw pumps and five VFD control panels included in the purchase will facilitate processing of oily water at BSP's Seria Crude Oil Terminal (SCOT) oil exporting facility.

"This is a breakthrough sale for Colfax in Brunei. Phase-3 of the BSP Seria project will begin next year and Colfax is well positioned to expand supply," said Michael K. Dwyer, Senior Vice President and General Manager of Colfax Asia Pacific. Colfax attributes the successful sale to their product's excellent reputation, competitive price and their organization's comprehensive technical expertise. Colfax's ability to deliver on a tight schedule was also key -- the pumps will arrive on site by August and plant operations start at the end of 2009.

Colfax has a ten-year presence in the Asia Pacific and well-established manufacturing and client bases in the region. Colfax Asia Pacific awarded its 2008 Best Newcomer Distributor Sales Award to Suasana Mentari Engineering Services of Brunei, demonstrating the importance Colfax places on its new Brunei operations.
